Now Hiring: Certified Avionics Technician

Location: Hangar A, 3822-21A St. Springbrook, AB
Apply in person or via email at admin@titanavionics.ca

Titan Avionics is expanding! We're seeking a Certified Avionics Technician to join our team in Springbrook, AB. This full-time position offers a flexible schedule and a supportive, collaborative environment.

What We Offer:
- Competitive wage based on experience and certification level
- Flexible full-time schedule
- Health and dental benefits after 3 months
- Limited travel (some off-site work required)
- A growing team that values quality and collaboration

Certified Avionics Technician

Responsibilities:
- Install, troubleshoot, repair, and maintain a variety of avionics systems
- Perform inspections, tests, and certifications
- Ensure compliance with aviation standards and documentation requirements
- Occasionally travel to customer locations as needed

Qualifications:
- Diploma in Avionics Technology
- Valid Transportation Canada AME License
- Previous hands-on experience in the field
- Must live in or near Red Deer
- Proficient in spoken and written English

If you're passionate about aviation and want to work with a dedicated team, we invite you to apply today by emailing admin@titanavionics.ca.
