NEWSLETTER

NOVEMBER 2025

Welcome to November!

As we settle into this festive season, we're excited to share that students will have Spirit Day opportunities to dress up and show their school pride. Our wreath fundraiser runs through the 14th—perfect for adding a touch of holiday cheer to your home. We're collecting donations for food boxes to support families in need. We appreciate your generosity in making this season brighter for others.

JOG A THON WRAP UP

Our Jog-A-Thon officially wrapped up with an assembly on Halloween, where we celebrated the incredible efforts of our students. From enthusiastic laps around the track to generous pledges (we raised \$25,892!) from family and friends, this year's Jog-A-Thon was a huge success. The assembly was the perfect way to recognize our top runners, celebrate classroom achievements, and thank everyone who contributed. The energy was electric, and the costumes added an extra layer of fun to the celebration!

Thank you to all the volunteers, families, and staff who made these events possible. Your involvement continues to make our school community vibrant and strong!

Celebrating a Season of Fun and Success!

Our Family Fun Night and Book Fair were a big success! Families came together for laughter, games, and community spirit.

The Book Fair was bustling with eager readers, and thanks to your support, we were able to raise funds that go directly toward enriching our school's literacy programs. It's always heartwarming to see students excited about new books
