**Our Steps to Creating Whole and  
Healthy Women & Girls:**

1. Identify Toxins in Environment
2. Identify blind spots
3. Identify repeated patterns in  
family history & relationships
4. Educate on emotional, physical, &  
mental health
5. Use model female citizens of  
the community to showcase  
womanhood/sisterhood
6. Educate on how to thrive in  
every area of our lives
7. Every woman and girl we service will  
leave wearing a crown

**CROWN ME  
FOUNDATION**

**Your Crown is your  
Glory!**

**FIND THE QUEEN IN YOU!**

*She is far more  
precious than rubies:  
nothing you desire can  
compare with her.*
