

Know Dr. Abhishek

Introducing Dr. Abhishek Mishra, a renowned aligners consultant and trainer specializing in business development within the dental industry. With a wealth of experience and expertise, Dr. Mishra has established himself as a leading authority in aligner therapy, helping dental practices worldwide enhance their aligner business and achieve greater success.

Dr. Mishra's journey in aligner therapy began under the mentorship of **Dr. Amit Sachdeva's** a pioneer in the Aligner industry Like **Toothsi** , **DaaWorld**, **Orthoprive** and **Clove Dental** , **Align Dental Chain Colombo-Srilanka**

Working closely with Dr Sachdeva, Dr. Mishra gained invaluable insights and knowledge that have shaped his approach to aligner treatment and business development. His collaboration with Dr. Sachdeva has not only enriched his understanding of aligner technology but has also inspired him to innovate and excel in the field.

As an aligners consultant and trainer, Dr. Mishra is dedicated to sharing his expertise and empowering dental professionals to achieve excellence in aligner therapy. His comprehensive training programs cover a wide range of topics, including aligner technology, treatment planning, patient communication, and practice management. Through his training, Dr. Mishra equips dental practices with the skills and knowledge needed to successfully integrate aligner therapy into their services and grow their aligner business
