Dear Property Owner:

The reassessment of all real property in the Borough of Oakland that began for Tax Year 2022 has continued on an annual basis to ensure uniform and equitable assessments. Appraisal Systems Inc. (ASI) has analyzed market data over the past year to determine the value of all properties in the Town as of October 1, 2025, for use in establishing new assessments for 2026. The market analysis has been carried out in accordance with the rules and regulations mandated by the State of New Jersey.

**The projected aggregate value of the total assessments in Oakland has increased for tax year 2026; therefore, the tax rate will change in a reciprocal manner. For comparative purposes, a tax rate of \$2.028 (per \$100 of assessed value) has been estimated for 2026 to give property owners a sense of how their property taxes may change based on the new 2026 proposed assessments. This estimated tax rate uses the budget levy from 2025 AND DOES NOT INCLUDE any potential budget levy changes that might occur in 2026. The exact tax rate for 2026 cannot be computed until the County, School, and Municipal budgets are approved and calculated into the official rate later this year (typically late June).**

THE NEW 2026 PROPOSED TOTAL ASSESSED VALUE OF YOUR PROPERTY IS:  
YOUR 2026 ESTIMATED ANNUAL TAXES (based on tax rate of \$2.028):

For purposes of comparison:

THE 2025 TOTAL ASSESSED VALUE OF YOUR PROPERTY WAS:  
YOUR 2025 TOTAL ANNUAL TAXES (tax rate \$2.185):
