## **“Transforming Our Relationships” : A Workshop offered by George Moscona and Breath of Life Ministries of Las Cruces**

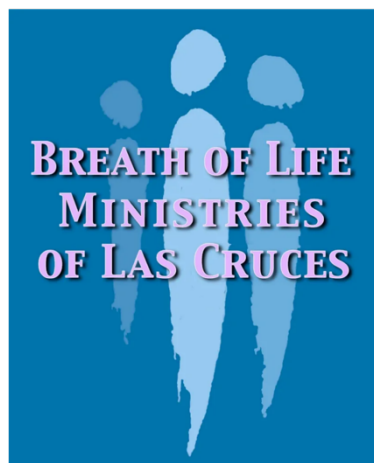

In a comfortable, living room setting, trained facilitators will guide you through a series of activities to help you discover the richness of relationships. Over the course of a weekend, we examine challenging and sensitive issues in a gentle, non-confrontational way. You will develop tools to communicate more effectively and improve your relationships.

These workshops are led over one weekend in Las Cruces, NM.  
As we receive registration for participants that reach a minimum of eight (8) individuals, we will coordinate dates for the next workshop with all registrants.
