The case presented in Virtual Court.

Learned counsel of the claimants Sri Balveer Pali appeared and had a heated discussion on immediate release of remaining compensation amount. He is warned to maintain the grace of the court.

Since, out of the total compensation amount of ₹ 2,07,06,310, ₹ 1,08,14,900 has been released on 10.06.2020 as a prompt relief in favor of the claimants in terms of the award on the order of the Hon'ble High Court, the release of the balance amount is not so urgent matter in the scenario of COVID 19;

Since, release of compensation amount to the claimants of other cases in dire need of funds during the COVID 19 epidemic is to be taken on priority basis;

And as the original record of MACP No. 308 of 2017 is not available, the case needs to be considered very carefully so as to prevent any concealment. Mere willingness to file SLP is not sufficient. Learned Counsel of Insurance Company may present the status of SLP before Hon'ble Supreme Court as he has mentioned in his objection 11C1 up to the next date fixed. Next date for hearing is fixed as 31.10.2020. Affidavit in support of release application is undated so the oath commissioner be summoned with records. Surety shall be present in person on the next date fixed.
