

Multiplication Concentration

To play the game, 1st cut out the rectangles. Then, place them on a table face down. Next, pick up one rectangle and turn it over. Then, choose another rectangle and turn it over also. Check to see if it is a match. If the rectangles are a match, leave them facing up. If they do not match, turn them both over and try again. **Have fun!**

2×2	4	4×3	12
3×2	6	5×3	15
4×2	8	4×4	16
5×2	10	5×4	20
3×3	9	5×5	25
