Events: Liz Bascom outlined plans by the United Church of Acworth to start offering Friday night suppers next year. Various organizations would be responsible for food for one potluck supper, setup, and cleanup. We agreed to host the Friday night supper on July 11, 2025 at 6:30 PM. Our annual meeting would be held the following week. We discussed providing a program at the church supper to engage more community members.

Helen will explore co-hosting a program with Cemetery Trustees called "From Slate to Granite" presented by local archeologist Gail Golec. She traces the history and development of cemetery monuments. We also discussed reviving the fall cemetery walks that many enjoyed.

Village Store Maintenance: Rick and Lorrie Ingoldsby will cut down and remove the tree at the west edge of the Turnaround Barn and possibly also the tree at the west edge of the store. They also volunteered to clear branches and old barbed wire from the east border of the store property. Any costs for disposing of wire or brush at the dump will be reimbursed by the Historical Society.

Ann Kosa described the need to level the area in front of the barn where dirt deposited by flooding prevents the sliding door from opening completely. Rick Ingoldsby offered to use his pressure washer to remove green growth on the front of the barn; best time for this work is after 7 PM when the store is closed.

Ann also mentioned constructing a small shed behind the barn for additional storage for the store. Brett Lord could give an estimate.

Community Garden Area: Lorrie Ingoldsby has created a horseshoe pit available to the public and would like to plant a butterfly garden to stimulate interest among school kids. Our website can advertise the horseshoe pit and available garden spaces.

Fundraising: Helen Frink asked to set up an organization profile with the New Hampshire Charitable Foundation. The purpose is to solicit donations from donor advised funds held by NHCF. Marianne Nevelson moved approval of this step. It was seconded by Jim Neidert and unanimously approved.

Helen will also apply for revenue from charitable gaming. Our local gaming venue is Wonder Casino on Emerald Street in Keene. Once approved as a nonprofit, we would be allocated a few specific gaming days, when we would receive up to 35% of the casino's income for those dates. We agreed to advertising our gaming dates on our website and also on a poster at the store.

Next meeting: Monday September 9th, 4:30 in the town hall.
