Mission statement on our Website:

The Acworth Historical Society is a 501 C 3 nonprofit charitable trust which works to promote local history through preservation and education, and acts as a repository to receive, store, and display material which is of historical interest to the town.

Proposed:

The Acworth Historical Society is a nonprofit dedicated to promoting local history through preservation and education, and acts as a repository to receive, store and display material and property of historical interest to the town. In 2002 the Historical Society purchased the Village Store and now maintains this 1865 landmark and community hub. We work closely with the Acworth Community Project, a domestic nonprofit corporation that operates the Village Store commerce, selling local foods and handicrafts and serving breakfast and lunch. Together our organizations ensure that the Village Store can continue to serve as a vital gathering space at the heart of our small town.
