-

Every workshop & activation duration customized to your timeframe:

- **10 Min Micro | 30 Min | 60 Min**
 - **Half Day | Full Day | Multiple Days**
-

↓ Find Your Materials In a Snap

Need materials for your upcoming upcycling workshop? We will match you with a business that has exactly what you need.

As part of our circular event network, our corporate clients are deeply committed to keeping their materials in play. Instead of sending high-quality, retired event assets to landfill, they safely store them in their warehouses specifically to pass them on for your creative projects.
