

Playwright Project

1. Choose a playwright.
2. Learn how to spell the playwrights name and how to pronounce the name.
3. Research and understand their impact in theatre through their written work. You must include at least 10 facts on their theatrical influence.
4. Research and include 5 personal facts about their life.
5. Read a summary of one of their plays. Include a self-written summary of that play in your work. You will talk about it during your presentation.
6. Create a 3-question quiz about your playwright for the class to take.
7. Create a PowerPoint (Keynote, Google Slides, Prezi) of your work.
8. Present your playwright to the class. You will have 5 minutes to present.
