Cardiff Lexington is a “Buy and Build” perpetual acquisition company within the Financial Services sector, Real Estate sector, and emerging Growth Companies.

Well positioned for strategic growth in 2021

From Main Street to Wall Street: Creating value in the middle-market for business owners and investors.

Cardiff Lexington is a public holding company, much like a cooperative, leveraging proven management in private companies that become subsidiaries. Our focus isn't geographic-specific, it's opportunity oriented driven by proven management, market, and margin. Our "Buy and Build" growth focus through perpetual acquisitions centers on serving successful target business owners in three main categories: financial services, real estate, and emerging growth companies where we include other diverse and synergistic industries. Cardiff Lexington's strategy identifies and empowers select income-producing middle market private companies and commercial real estate properties. Cardiff Lexington provides their principals both 1) the enhanced ability to raise money for operations or expansion, and 2) an equity exit and liquidity strategy for the owner, heirs, and/or investors. For CDIX investors, Cardiff Lexington provides a diversified lower risk to protect and safely enhance their investment by continually adding assets and holdings. Cardiff Lexington is led by strong and talented team of executives and advisors providing expert acquisition, market guidance and added value for subsidiaries and investors. lower risk to protect and safely enhance their investment by continually adding assets and holdings.
