## Well Positioned for Strategic Growth in 2020

Asia Broadband Inc. is a resource company focused on the production, supply and sale of precious and base metals, primarily to Asian markets, through the Company's wholly-owned subsidiary Asia Metals Inc.. The Company utilizes its specific geographic expertise, experience and extensive industry contacts to facilitate its innovative distribution process from the production and supply of precious and base metals in Guerrero, Mexico to our client sales networks in Asia. This vertical integration approach to sales transactions is the unique strength of Asia Broadband and differentiates the Company to its shareholders.
