

**CHARACTER BIO**

Agent Koski is a fearless operative from the mainland. When Kate and her priceless computer program go missing, the Cerberus Corporation sends her and Agent Falk to find the software by any means necessary. Though operating in unfamiliar territory, Agent Koski and her partner must adapt to their new surroundings, in order to succeed in their mission.

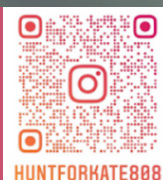

**CHARACTER BIO**

Agent Falk is a top agent in the Cerberus Corporation who is sent with his partner Agent Koski to Hawaii in hopes of locating Kate's software, which in the wrong hands, is a potential threat to national security. Seasoned, calculating, and cunning, Agent Falk and his partner are hot on the trail of finding Kate and reclaiming the program as property of Cerberus.
