

FINDING KATE

Hawaii

CHARACTER BIO

Kate Keenan works as a Production Assistant at Hawaiiwood, the hottest studio in the state. After being assigned a side-project by her boss, Kate discovers a way to harness AI to formulate realistic movie scenes, saving the studio immense costs.

Little does she know her life is in unimaginable peril...

ABOUT THE SHOW

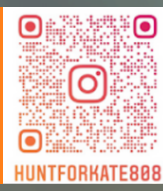

Based on the works of author A.G. Hayes, Finding Kate: Hawaii follows computer genius Kate Keenan, as she develops a program that transforms text to cinema.

However, when her economical innovation is discovered--Kate vanishes. Now, her father, fiancé and roommate must find her, before Kate's victory becomes short-lived...
