45 Day Stay Program

Our 45 Day Stay Program is perfect for those who have recently been discharged from a skilled nursing facility and have used up their days of coverage. This program allows you to be discharged and still know that you can still get the care you need before finally heading home.

With this program, we can arrange for all of your services to still continue. We want you to concentrate on getting back to your full potential without the worry of falling or having people in and out of your home. This program allows you to move right in without having to pay a community fee while only having to pay the regular monthly rate.

Eligibility Requirements:

- Recent skilled nursing discharge
- Have Home Health services in place within 5 days of arriving
- Signed agreement saying that if you stay over 45 days a community fee of \$1500 is required
- Negative Covid-19 test or Covid-19 complete vaccination
- Does not require a 2 person to assist

What's included:

24/7 care, 3 home-cooked meals, assistance with activities of daily living, fully furnished room with full access to all amenities.
