No public comments.

**Presentations**

**Code of Ordinances-Update:**

The Town has been under contract with the Mid-East Commission for the past year to conduct a thorough review of the Town of Bethel's Code of Ordinances and the Town's zoning map.

Joshua Hollis, Mid-East Commission, Planner II presented an overview of this project as well as a status update. The Code of Ordinances document will need to come back before the Board in 2026 for formal approval.

**Fiscal Year 2024-2025 Audit Presentation:**

The Town's auditor, Greg Redman, CPA, has completed the Town's FY24-25 annual audit. The audit has also been approved by the LGC (Local Government Commission). Mr. Redman was scheduled to present at the December 2, 2025 meeting but due to a family emergency will be present to present the audit at the January 6, 2026 meeting.

**Old Business****Storm Water Asset Inventory Assessment (AIA Study):**

Scott Godefroy and Ben Williams of Rivers & Associates presented a high-level summary of the draft study pertaining to the Town of Bethel's Stormwater Asset Inventory Assessment (AIA). This study began back in November of 2024.

Interim Town Manager recommended that the Board hold a workshop in January 2026 to allow Rivers & Associates to go into detail regarding the results of the study.

Interim Town Manager asked for a rough cost estimate regarding potential total project costs. Ben Williams responded that it would be about \$70,000 to clean some drainage areas, \$1.2 million for the CCTV effort, and about \$2.5 million of upgrades and replacements, totaling almost \$3.9 million.

A preliminary project is to clean the canal between McWhorter Street and Cherry Street. This is a very small project in the larger project.

**New Business****Donation of Three Vacant Tax Parcel – Smith Street Park:**

The Town of Bethel has been contacted by a representative of the owners of three vacant parcels of land adjacent to Smith St. Park. The owners of these parcels desire to donate them to the Town. The combined acreage (.23 + .13 +.06 acres) is .42 acres.

Attachment A is an email from the representative of the parcels (Martha Moore) as well as an aerial photo of the park and three parcels to be donated highlighted in red. These parcels are located on the north end of the park.

***Commissioner Lilley made a motion to direct the Town Attorney to research the parcels to determine if they can be donated free and clear and bring back before the board for next step(s), motion carried unanimously.***

Repeal Ordinance No. 23-O (Prohibition Against Dog Tethering):

On August 1, 2023 the Town Code of Ordinances was amended by adopting language to prohibit the tethering of dogs (See Attachment B). As the Board is aware, Pitt County Animal Control provides services to the Town for animal control matters. At this time, there is no other municipality among the ten (10) that has dog tethering regulations in place. Also, Pitt County is unable to enforce this existing ordinance for the Town because this ordinance language is not included in the Pitt County's Comprehensive Animal Control Ordinance. This being the case, it was recommended to repeal this language. It was noted that if a dog is being neglected or abused, the County can still be asked to step in and investigate this type of situation.

Commissioner Whitehurst asked if this will allow dogs to roam free and Interim Town Manager responded that it will not. This ordinance only repeals the prohibition against tethering of dogs.

***Mayor Pro Temp Griggs made a motion to repeal Ordinance No. 23-O, Ordinance Amending Chapter 91 of the Code of Ordinances of the Town of Bethel, NC – Prohibition Against Tethering of Dogs, motion carried unanimously.***

Budget/Financial Matters:

Interim Town Manager presented Budget Amendment - #6 (Attachment C). The budget amendment moves \$7,500 of \$10,000 from within the Public Works budget. It moves monies from Capital Needs (560-7000) to Equipment/Equipment Maintenance (560-1600).

***Commissioner Lilley made a motion to approve Budget Amendment - #6, motion carried unanimously.***

Residential Yard Debris Contract:

The Town's contract for residential yard debris pick-up with C&W Lawncare, LLC was terminated due to default. This was effective at the beginning of November. Since that time, the Town has utilized the services of its current contractor who was awarded the Town's municipal lawncare contract. This has been with Home Front Lawn & Tree Services, LLC. The Town has had a verbal agreement to perform this work for \$3,600 per month (prior contract was \$3,000 monthly).

Commissioner Whitehurst asked what was C&W Lawncare, LLC's default and Interim Town Manager responded that there were equipment issues and non-compliance of pick-up for an extended period of time with no hope of resolution.

***Commissioner Conger made a motion to award a written contract for this service to Homefront Lawn & Tree Services, LLC at \$3,600/month through the period of June 30, 2026, the motion carried unanimously.***

## **Departmental Reports**

Interim Town Manager:

It was announced that there is an Essentials of Municipal Government class being offered in Rocky Mount, NC February 12-13, 2026 for all newly elected officials. The registration fee will be paid by the Town.

Interim Town Manager referenced the public safety report for the month of October 2025 from information provided to the Town of Bethel from the Sheriff's Office (See Attachment D).

The Interim Town Manager gave the financial report for the month of October 2025 (See Attachment E).

***Mayor Pro Temp Griggs made a motion to approve the financial report for the month of October 2025, motion carried unanimously.***

It was announced that the Pitt Stop Mural(s) concept will be brought back before the Board for input. The Town received funding from Greenville Eastern North Carolina Alliance for \$20,000 and \$4,000 from the Arts Commission. A soft opening of the actual Pitt Stop facility is scheduled for March 2026.

Interim Town Manager and Mayor Wilson had a conversation with an individual who wants to provide lobbying services to the Town to lobby the North Carolina General Assembly. This item will be brought back at budget time.

It was announced that a traveling baseball league would like to utilize the Field of Dreams for practice.

It was announced that the entire Town (residential and non-residential properties) has been surveyed for violation of the Public Nuisance ordinance. A total of 107 certified letters were sent to property owners for overgrown grass or shrubs, structures that needed to be torn down or required major rehab and/or for excess junk. Calls from property owners regarding clean up or commitment to fix are being logged.

It was announced that the Bethel Tree Lighting will be held at the Town Gazebo on Saturday, December 6, 2025 at 6pm and the Bethel Christmas Parade will be held Saturday, December 13, 2025 at 10am.

It was announced that the next monthly meeting will be held January 6, 2026. A proposed meeting schedule for 2026 was presented (See Attachment F).

***Commissioner Lilley made a motion to approve the proposed 2026 Board of Commissioners Meeting Schedule and post for public view, the motion carried unanimously.***

### **Fire Department**

Fire Chief Lilley gave a report of calls for November 2025 (See Attachment G).

Fire Chief Lilley reported that truck 2102 has a packing problem on the pump.

Fire Chief Lilley made a suggestion to have, “In God We Trust” as a logo on the top of each truck and it would be included in the graphic design at no cost.

***Commissioner Whitehurst made a motion to allow, “In God We Trust” be as a logo on top of each truck, the motion carried unanimously.***

### **Public Works**

It was reported that Public Works is completing various projects around Town.

### **Town Attorney**

No report was given.

### **Closing Remarks**

***Commissioner Whitehurst made a motion to adjourn the meeting at 7:42pm, the motion carried unanimously.***

Scott,

Thank you for chatting with me recently about making a donation of 3 parcels to the Town of Bethel.

I am the oldest Edwin G. Moore II heir and am representing the interests of my brother and two sisters in writing to you today to say that we would like to donate 3 land parcels:

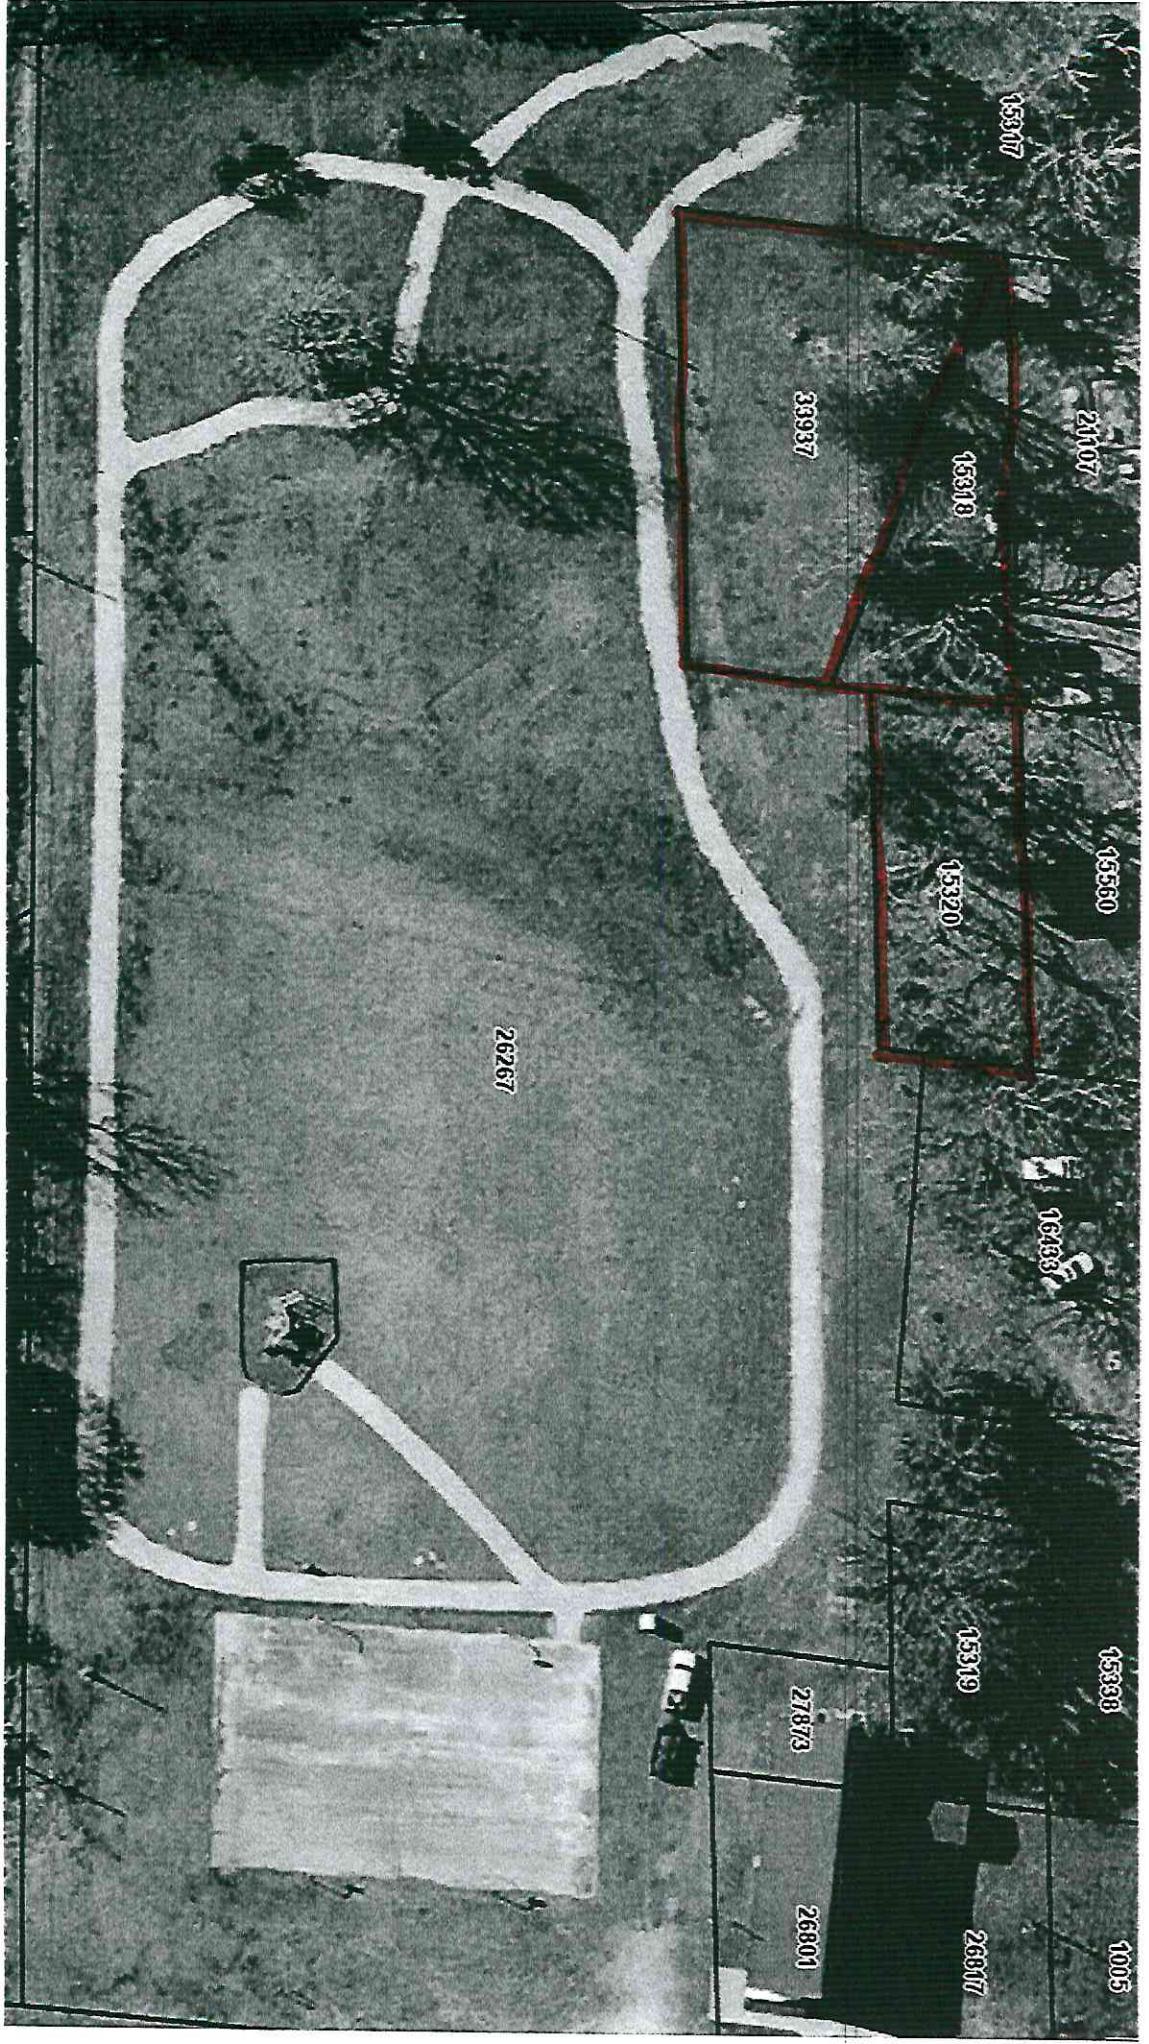

#15318  
#15320  
#33937

As I mentioned, my dad Edwin G. Moore II died in 1991 and my mom Maribelle R. Moore died in 2014 and all paperwork (deed) got lost many years ago. I took over payments of the Pitt Co. taxes even before my mom passed away.

Please let me know what we need to do to proceed with a smooth hand over.

Sincerely,  
Martha
