Our mission is simple, to provide resources to those in need (which impact lives forever) one bag of jerky at a time. We welcome your partnership and thank you for being a part of our cause. Good Deeds Jerky is based out of Austin, Tx and proudly donates 25% of all proceeds to *Charity Water* and *Austin Pets Alive*. We welcome you to read more about them and encourage you to spread the word about our cause.

All of our jerky products are made from the finest cuts of premium 100% USA Beef. We use a strategically timed marinade and dehydration process paired with freshly dried spices and natural juices to ensure maximum tenderness and flavor throughout every bag of jerky.

For your convenience the pricing below includes shipping costs. Upon receiving your order and payment, normal lead time is typically between 10-14 days. Our products are never cold stored, sitting in a warehouse or frozen. We guarantee optimum freshness by packaging and shipping your order just hours after production.
