

2026 Holiday Catalog

www.kellywassellchocolates.com

One of the things that having a chocolate business takes away is time before the holidays to do those traditional Christmas activities like baking warm yummy cookies and other treats.

So this year I decided to work some of the favorite cookie flavors that appear on any holiday Cookie Exchange table. That collection along with the tried and true, well loved Christmas Classic Bonbons and Hand Dipped Caramels round out the Christmas chocolates offerings. Hanukkah comes early this year and so will a collection for those celebrations too.

If you like little bites of sugary bliss, you will find Naked Caramels, Scottish Tablet, Nougat, and my favorite, Pâte de Fruit.

All you have to do is make sure to let me know what you would like before October 25. Then sit back and relax as the holidays get here always faster than I am ready for.
