

# 2026 Early Spring Catalog

Do you want to show your love in the sweetest way possible?  
Kelly Wassell Chocolates will be your most loved gift this year.

Not attached this season?

Just know that if Miley Cyrus had tried some in 2023,  
“I can buy myself Kelly Wassell Chocolates” may have been the viral song of the summer  
(although the extra 5 syllables may not be so melodic but tasty).

Need to show some love to your mother-in-law? Nothing goes over as well as beautiful artisan  
bonbons.

Galentine’s event favors? You can show up with treats they will remember and thank you for.

Or maybe you want to celebrate Mardi Gras, but can’t make it to New Orleans or Rio,  
or possibly don’t care for king cake??

Maybe a box of festive bonbons will make you say "**Laissez les bon temps rouler!**"

# Show a little love

Everyone deserves to have a little chocolate treat in the cold long days of February.

Maybe it's your work team, your group of friends getting together, your siblings or whomever. Showing a little chocolate love with chocolate caramel ganache bonbons will bring a smile to their faces.

# Bonbon Variety Boxes

Look, I won't ever be the one that says you can't buy yourself presents. I do that all the time. *I also will be the first to say, don't wait on someone else to take that trip, but that is for another time.* So whether the 8- or 24-piece box you get is for you or someone else, I will never tell.

## Valentine 2026 Bonbon Collection

My mother, after my father passed, and was dating and said "if someone loved me they would buy me a box of Godiva chocolates". Luckily for us, my now stepdad of almost 40 years was the one to buy her that box. But now, as her favorite (and only) daughter, I get to give her even better chocolates all year long.

I hope she, you, and whomever you buy chocolates for this Valentine's will love the flavors inside.

Passion Fruit

Crunchy Hazelnut

Baileys & coffee

Raspberry Licorice (not the licorice you are thinking, but the true Swedish kind)

**8-piece - \$29 plus tax**

**12-piece - \$40 plus tax**

**16-piece - \$56 plus tax**

**24-piece - \$76 plus tax**

# Beads Brass & a lot of Sass

No need to expose anything for these colorful items

## Mardi Gras Collection

Working with a few of the traditional flavors of the Big Easy, the Mardi Gras bonbon collection will have you speaking Cajun within the first few bites. I am considering the following flavor inspirations: Pecan Praline, Cafe Au Laut, Moon Pies, Banana Foster or something with a touch of Bourbon. Let's see how the good times roll and what works best.

And if you really want some beads, these cute little bars allow you to get some without taking your top off. Easy to break off and enjoy a different flavor with each "bead".

### 4 sizes of Bonbon boxes

8, 12, 16, or 24-piece boxes

### Mardi Gras Snack Bar - \$10

3 "beads" of milk and dark chocolate ganaches and gooey salted caramel in a complete bar

## Fluffy, Chewy and Nutty Nougat

These not overly sweet confections are just the thing for that person who loves nuts and may not always want chocolate. Easy to share or enjoy on your own, these honey bars make a unique gift.

Flavor pictured above is not berry, but Spring 2026 nougat will be

## Almond, Hazelnut and Berry

If you have not tried Italian nougat and don't have a plane ticket to jet over to try some, why not try a bit from me this season.

This honey and egg white based confection is the perfect combination of chewy, crunchy and subtly fruity.

Roasted Almonds and Hazelnuts are swirled into the whipped honey batter and dotted with dried berries.

Sliced in large bars or small bite sized pieces, these are both delightful.

**6.5" bars - \$12**

**Bag of bite sized- \$15**

# Pate de Fruit

Traced back to the 10<sup>th</sup> century, this long loved way of preserving fruit is one of my favorites. Hard to describe, better to try, the much loved flavors of passion fruit and/or raspberry will be available.

Each flavor is available in a 5 piece box as a single flavor option or a combo of both.

## Pate de fruit

Each boxed sleeve is \$12.

**Passion Fruit**

**Raspberry**

**Passion Fruit/Raspberry Mix**
