BONBON COLLECTIONS

When you want someone to open their present and be amazed with beautiful jewel-like pieces of the rich smoothness of milk and dark chocolate, look no further than one of the boxes below.

4 different collections and larger sampler boxes will be the perfect gift for the chocolate lover in your life.

Choose the **Classic Collection** for traditional bonbon joy. Creamy ganaches, smooth gooey salted caramel, and a sweet crisp peppermint filling. These will be dressed in traditional green, reds and gold; shining with holiday cheer.

The **Festive Collection** is inspired by my sister-in-law's beautiful bold Christmas tree baubles. Bright pink, purple, blues and orange will make these flavorful bonbons shine. Gingerbread, strawberry balsamic ganache, dark chocolate orange, and passion fruit.

Hand-dipped Caramels never disappoint. 4 different flavors and chocolate combinations in one box. Gingerbread, salted caramel with milk and dark chocolate, and dark chocolate caramel.

And the simplicity of nuts, chocolate and praline make a fabulous gift for the purist with the **Nut Lovers** box.

CONFECTIONS

Chewy Naked Caramels made with pure fresh vanilla, spices of the season or rich dark chocolate are universally loved (well, maybe not by your dentist). This year there are 4 flavors to choose from.

The sparkly fruit gems that are the French specialty, **Pate de Fruit** make their appearance once again. These are slowly becoming favorite offerings here in central Arkansas.

Bringing another treat across the pond, **Scottish Tablet** is a new treat, I have fallen for. This special sweet is a cross between a caramel fudge and a toffee, making these milky sugary treats crunch then melt in your mouth.

All confections are bagged and/or bowed, making for amazing stocking stuffers or that special touch for anyone in your life who makes it better to live in.

ORDERING

Ordering - Each option to order is numbered in its description. Please indicate the quantity of each, date needed, shipping or local pick up by emailing me. I will confirm these details when I receive your order.

Local pick up - 2 production runs are available; First week of December for those that want to start handing out their gifts early, and third week of December for those that like to give out closer to Christmas. Please let me know of any specific timelines you have, and I will try to accommodate (leaving for vacation, company party, etc.)

Shipping - Individual shipping rates charged will depend on size and distance from Little Rock, and I have explored options to keep these rates down to a minimum, but each shipment will have an additional \$2 to help offset the needed packaging to make sure they get to you or your gift recipient in beautiful condition. Treats will be sent out at the beginning of the week for most efficient delivery. Please let me know if you would like these shipped early in Dec or closer to Christmas.

CORPORATE ORDERS

Are you looking to give your clients a memorable and special gift for their support of your business in 2024? Why not present them a box of bonbons or caramels?

Personalized- if you would like to add a greeting card or business card inside for your recipient to see when they open the box, I would be glad to accommodate. 0-10 boxes for free, More than that, there will be a \$5 charge for every 10 boxes you would like the cards inserted. Your cards (no larger than 4x6 inch) will need to be to me by Nov 15 to be included in each box. These will be placed on top of padding and contents insert so the first thing they see is your generosity.

Just mark that your order includes corporate gifts and we can discuss your needs.

I cannot be responsible for hold-ups/damage in delivery but will do my best for you or your recipient to have the best possible unboxing experience.
