Happy New Year

From All of Us at DASH

Sharing Pics & Updates

The Christmas season at DASH was filled with creative activities like making snow & slime in the LabRatz club, lots of Christmas crafts in classrooms and clubs, fun games & challenges, karaoke, and friendly competitions of Jeopardy. The kids were blessed with Christmas presents and ice cream sundaes donated by Agape's Master's Commission.

This was truly a wonderful time for us all and we are looking forward to all the blessings that 2026 will bring.

Destiny Assistants In Training aka DAIT has recruited these responsible and dedicated students to assist Mr. Jhaki with serving meals and cleaning up after meals. We couldn't be prouder of them. Thank You to them & their parents!

Our staff, Mr. Cesar has left us to begin his career in the Navy. He recently completed boot camp and is now serving our country. We are extremely proud of him and will keep him in prayer.
