Here is DASH's new Logo

We would LOVE to know what you think about it.

Ms. Karly has been working hard on giving DASH a new look.

She has many projects going on, an updated brochure & letterhead, an amazing website is coming soon. She has worked on our social media platforms to make us more attractive and accessible. She also facilitates terrific clubs that the kids are always excited about attending.

Ms. Karly is an AWESOME addition to our staff!

Clubs ended for this past quarter and were well received & to no surprise, DASH's all-time favorites are: anything with cooking, sports, arts, and dance. The kids were surveyed on what they would like next and also special events they would like to be offered. WOW, they had great ideas.. Some will be in the next round of clubs and lots will be included in summer camp.
