The following are the minimum criterion which apply to all applicants for the Private Pilot Program. You are required to understand all criteria and requirements. If approved, **MCAF** will fund up to a maximum of \$5000.00 on your behalf. You will be required to pay the remaining costs. Total program cost is approximately \$8000.00 (This covers the Solo Program through the FAA check ride)

Read everything carefully, any false statements will immediately disqualify you for any further consideration.

1. Applicant must complete the FAA Knowledge Test (Private Pilot Airplane) before starting the Private Pilot Program and have a grade of 85% or better.
2. Applicant must have a current **Student Pilot Certificate & Medical Certificate** prior to starting their training.
3. Applicant must have no failing school grades during the training period.
4. Applicant must maintain **MCAF criteria** status throughout the program and maintain his CAP cadet status, with a 75% or better attendance record, including excused absences.
5. At appropriate time, a parent/guardian must meet with the Selection Board and sign the Private Pilot Program application, other means may have to be considered with the imposed restrictions caused by Covoind 19.
6. Selection Board will oversee the Private Pilot Program and will check applications to determine who is eligible and if more than one acceptable application is received they will determine who receives the training first. One student pilot will have to complete the program before another can start.
7. Applicant must provide documents to prove all of the above.
8. The Pilot Program must be completed within 140 days after passing the FAA Private Pilot Exam and the total cost to **MCAF** not to exceed \$5,000.00.

By affixing our signature(s) I/We attest to fully understanding all criterion detailed in this application and certify that it is true, and that we sign of our own free will. The parental/legal guardian signature reflects approval for flight training:
