

ARIZONA TRAVEL BALL

Arizona Travel Ball (ATB) requires a 100% commitment level from all of the players and parents. The parents should do everything in their power to ensure their son or daughter is at practice and/or game on time. If a player misses a practice or is late to a practice it will affect playing time.

If your son or daughter plays another sport or has any other hobbies, please understand that ATB come first.

All players are required to check the website daily to know the practice/game schedule, along with other team information. Please refrain from sending text messages, e-mail messages, and phone calls regarding schedule, uniforms, etc... Most questions will be answered on the website.

Playing Time

Coaches will determine playing time and positions. There will be no guarantee of innings or position of players.

Do not ask about playing time during or directly after a game or practice. If playing time becomes an issue for your son/daughter, please address with the owner of the organization after a 24-hour time has passed.

Please understand during this process you may honestly be told what your son/daughter must work on and improve to get more playing time.

If for any reason a player is pulled from the field of play during a game because of playing time, it may result in expulsion from team.

Before, During, and After Game

All players must meet 45 min prior to the game for warm-ups unless told otherwise by the coaching staff.

Parents must let the coaching staff do their job and coach the players. There will be no tolerance for parents screaming onto the field at their son/daughter, or any other player on what they should be doing during any given situation. The coaching staff will ensure that all players are informed on how they should handle all in game situations.

All players should have all of their equipment prior to arriving to the field for a game. This includes all baseball equipment, snacks for in between games, and water. At no time will a player be allowed to run up to the stands or concession stand for snacks and drinks. This should be taken care of before stepping in the dugout.

All players must sit in dugout or designated area with their teammates and coaches in between back to back games. During this time, they will not be allowed to sit in the stands with family members.

The parents, family, and friends of a player are not allowed in the dugout or the playing field at any time during a game.

Parents and players must refrain from getting into a verbal altercation with an umpire, opposing players and coaches, and other parents/spectators at all cost.

Players must refrain from throwing a bat, helmet, or any other equipment. This may result in loss of playing time, game suspensions, or dismissal from team.

Uniform

All players are required to be in full uniform from the time they step out of the car for either a practice or game. The uniform shirt must be tucked in and hat must be worn correctly at all times.

All players must wear the correct uniform for each game and practice. Fail to do so will result in loss of playing time and/or other consequences.

All players must wear baseball pants up at knee high. There is no exception.

All players are required to clean their cleats/turfs before the first game of each day.

All players will be required to wear long sleeves and jacket when the weather changes. Coaches will make announcement when this rule will be in effect.

Any violation of the uniform code will affect playing time.

Payments

Payments are to be made on time and/or before due dates. If for any reason you are not able to make payments on time, please speak with the owner of the organization.

All checks should be made out to Arizona Travel Ball. Please place check or cash in envelope with players first and last name.

Late payments or extended payment plans will be charged a 10% late fee. There will be a \$30.00 fee if a check is bounced. Players may not receive uniforms or attend workouts/games until payment is made and account is brought current. NO EXCEPTIONS!

No refunds will be given for any reason.

Breaking any of these rules can result in loss of playing time and or expulsion from team.
