Full board and Training \$1900

- Board includes full care, stall, turnout, hay, grain, shavings, night check. Training includes lessons and/or training rides five days a week. To maximize performance and care we require all horses to be in full training. Sage will make arrangements for vet, farrier, and "other vendor" appointments as needed. When trainers are attending a horse show best efforts will be made to substitute additional trainers to ride or teach, however, it is not guaranteed.
- Board and Training is billed on a monthly basis. The month will not be pro rated unless prior arrangements are made.
- 30 days notice is required for all horses exiting the program. Exception is horses sold or leased out of the program.
- Medications and supplements to be billed individually.

Individual Lessons/Rides \$100 each

Body Clipping \$200

Annual Supply fee \$200

- Includes routine supplies such as fly spray, show sheen, brushes, shampoo, hoof dressing, training tack, boots, etc. To be billed on January invoice unless the horse joins the program mid-year. In that case it will be pro-rated for the remainder of the year.

Hours of operation are 8am – 6pm Tuesday through Saturday. Please only text, call or WhatsApp during normal business hours, unless it is an emergency. Emails can be sent at any time.

Shows

Sage will enter horse shows and arrange required travel documents and travel for horses. Day fees and grooming apply from the time the horses leave until the day they return.

- Day Fees \$50/day
- Grooming \$100/day
- Day Fees if horse is not in full training \$200/day

- Travel split is divided among horses attending show. These fees go towards staff accommodations at show, travel to and from show, fuel, and misc. travel expenses.
- A non-refundable show deposit will be due at close of entries for each show week entered. All deposits will be applied to the balance due for each show week.
- Clients will be responsible for their portion of day fees, grooming, travel split, and applicable show fees after the close of the horse show entries. We do this to ensure costs don't unexpectedly go up for those attending the show if others have to cancel last minute. This also allows us to provide better show cost estimates up front, so clients can plan better. These expenses will be billed at the end of each show week.
- We will always do our best to work with you when extenuating circumstances arise.

Commissions

A commission of 15% will be charged on all sales, purchases, and leases.

Payment

- Payment is due on or before the 1st of each month.
- A 3% finance charge per month will be applied to any outstanding balance past due by 30 days of printed date on the bill.
- No horse is released until Sage is paid in full, as well as any "vendors" contracted by Sage, such as vets, farriers, shippers, etc.
