

## 1. Media Bias

- What many people don't realize is that the percentage of journalists who identify as Republican has diminished greatly in the past number of years. Politico reported that in 1971 26% of journalists identified as Republican, in 1992 it was 16%, in 2013 it was only 7%. I recently heard Larry Elder say that right now it is down to only 3%.  
<https://www.politico.com/blogs/media/2014/05/survey-7-percent-of-reporters-identify-as-republican-188053> & **The United States of Trump, How the President Really Sees America, by: Bill O'Reilly, page 184**

I tell people that I used to watch CNN at times, to get the "other sides view". But after the riots of 2020 I just couldn't do it anymore. I listened to CNN say that the riots were mostly "peaceful protests." Yet statistics show otherwise, more than 700 police officers were injured, at least 150 building were destroyed, and the rioting caused approximately \$2 billion in property damage.

- The money that is given to the two main presidential parties is significant. During the 2008 presidential campaigns, the three major networks ABC, CBS and NBC donated \$1,020,000 to the Democratic party, yet they only donated \$143,000 to the Republican party. <https://www.washingtonexaminer.com/opinion/beltway-confidential/332704/obama-democrats-got-88-percent-of-2008-contributions-by-tv-network-execs-writers-reporters-updated/> & **The Game of Thorns, by: Doug Wead, pages 59-60**
- During the 2016 Presidential campaign, people who identified themselves as Journalists, Reporters, or News Editors in Federal Campaign Finance filings donated a total of \$396,000 to the two main Presidential campaigns. Of this amount, 382,000 or approximately 96.5% was donated to Hillary Clinton.

- A report by the Media Research Center of the three major networks: ABC, CBS and NBC taken in October 2020, showed that 92% of it's coverage of Donald Trump was negative, compared to 68% of coverage of Joe Biden was positive. <https://pjmedia.com/rick-moran/2020/10/27/92-percent-of-tv-coverage-of-donald-trump-is-negative-media-research-center-finds-n1097601>
- By election day of 2016 Hillary Clinton had the endorsement of 240 papers, which included almost every major newspaper in the country, and only 19 newspapers

endorsed Donald Trump. <https://www.businessinsider.com/donald-trump-endorsements-newspaper-editorial-board-president-2016-10>

## 2. **Donald Trump**

The mainstream media will call him a “racist, bigot, homophobe”, etc. Yet, look at what he has done for minorities, and other accomplishments.

- Two of the first four winners of “**The Apprentice**” were minorities. Trump has been attacked for engaging in racially discriminating practices, with regard to renting out apartments, yet these were actually lobbied against his father who is no longer able to defend himself. Donald Trump was fresh out of collage at this time, and it isn’t right to blame someone for the sins of his father. **13 ½ Reasons Why Not to be a Liberal, by: Judd Dunning, page 199** and <https://www.tampabay.com/news/politics/national/donald-trump-a-champion-of-women-his-female-employees-think-so/2255299/> and [https://www.washingtonpost.com/politics/donald-trump-a-champion-of-women-his-female-employees-think-so/2015/11/23/7eafac80-88da-11e5-9a07-453018f9a0ec\\_story.html](https://www.washingtonpost.com/politics/donald-trump-a-champion-of-women-his-female-employees-think-so/2015/11/23/7eafac80-88da-11e5-9a07-453018f9a0ec_story.html)
- He signed the “**First Step Act**” which reduced the mandatory minimum sentences in certain instances, this helped many minorities. <https://www.justiceactionnetwork.org/news/president-trump-signs-major-historic-criminal-justice-reform-bill-into-law> and **Uprising Who the Hell Said You Can’t Ditch and Switch? By: Diamond and Silk, page 241**
- Signed the **VA Mission Act**, which improved veterans access to health care. He also created the White House Veterans Hot Line, which opened in June 2017, and in the first two years fielded more than 250,000 calls. <https://www.moaa.org/Content/Take-Action/Top-Issues/Currently-Serving/Trump-Signs-MISSION-Act-Reforming-VA-Health-Care> & **Live Free or Die, by: Sean Hannity, page 230**
- He was the first sitting President to address the annual **March for Life** rally in **Washington D.C.**, stating “Every child is a precious and sacred gift from God.”

<https://www.foxnews.com/politics/trump-becomes-first-president-to-speak-at-march-for-life>

- He created the “**Tax Cuts and Jobs Act**”, which created “**Opportunity Zones**” to help rebuild low-income areas in all 50 states. This used tax incentives spur investment in parts of the U.S. that struggle with poverty. There were 8,761 of “Opportunity Zones” in the U.S. and 56% of them are in areas with a high concentration of minorities.

- He cut the corporate tax rate from 35% to 21%, this helped many companies to bring back jobs to the U.S. because it helped them compete in the global marketplace. Before this tax cut, U.S. companies had approximately \$26 Trillion tied up in overseas markets to avoid paying the higher corporate tax rate.

- He works for free, because he donates his entire salary to charity.

### 3. Joe Biden

- He is a man who does not love America. His wife Jill promotes a private school that advises illegal immigrants on how to avoid arrest. The El Centro Academy in Kansas City, Kansas actually publishes videos on how to do this. <https://freebeacon.com/biden-administration/as-border-crisis-mounts-first-lady-boosts-group-that-helps-illegals-avoid-arrest/>
- Once he was sworn into office one of his first actions was to revoke the 2019 permit for the Keystone XL pipeline, by doing this he killed 11,000 well paying jobs and caused the price of gas to skyrocket. <https://www.dailysignal.com/2021/12/28/killing-keystone-xl-how-biden-destroyed-american-energy-independence/> and <https://www.foxnews.com/us/former-keystone-pipeline-worker-says-us-energy-crisis-is-result-of-bidens-policies-we-tried-to-warn-you> and **Radical Nation**, by: Sean Spicer, pages 30-31
- Joe Biden says that he's a catholic, but he actually supported repealing the Hyde Amendment, which would deny federal funding for abortions. <https://www.cnn.com/2019/06/05/politics/what-is-hyde-amendment-joe-biden/index.html> and **13 ½ Reasons Not to be a Liberal**, by: Judd Dunning, page 245
- Joe Biden can lie like crazy, he stated that he finished in the top half of his law school class, when he actually finished 76<sup>th</sup> in a class of 85. **13 ½ Reasons Not to be a Liberal**, by: Judd Dunning, page 251 and <https://www.foxnews.com/politics/vintage-biden-clip-resurfaces-law-school>
- Joe Biden lost his first wife Neilia and their young daughter in a car accident in 1972, which of course is very tragic. His wife was at fault as she ran a stop sign, the other driver, (Curtis Dunn) immediately rushed over and tried to save her, the investigation showed that the driver had no drugs or alcohol in his system, yet Biden always claimed that this wife and daughter were the victims of a drunk driver, when he knows this wasn't true. [https://www.newarkpostonline.com/news/local/daughter-of-man-in-72-biden-crash-seeks-apology-from-widowed-senator/article\\_6c9a477e-63be-561b-b771-](https://www.newarkpostonline.com/news/local/daughter-of-man-in-72-biden-crash-seeks-apology-from-widowed-senator/article_6c9a477e-63be-561b-b771-)

- Joe Biden used his influence to help out family members. In 1999 his brother Frank and a friend were driving a rented Jaguar with three people in the back seat, going 70 MPH in a 35-MPH zone. The car slammed into Michael Albano, a father of two who died from his injuries. Frank told the driver to keep driving after Albano had been hit. The family sued Frank Biden for wrongful death. He didn't show up for his hearings and never responded to any court correspondence. The court decided that Frank Biden owed each of the girls \$275,000 for his role in the tragedy. A Private Investigator was hired, he reported that Franks stayed with his brother Joe occasionally. All attempts to locate Frank failed, including appeals to Joe. With interest Frank owes the two girls over \$1 million, but he never paid a cent. You would think that Joe Biden, who knows what it's like to lose a family member would have responded.

#### **4. Hillary Clinton**

- In Ronald Kessler's book: "First Family Detail" he tells what a rotten, nasty, vicious person Hillary Clinton is. One Secret Service Agent said that one morning he passed by the First Lady, and she said, "Go to Hell". Another officer said that he passed by her and said "Good Morning" and Hillary Clinton said "Go F\_\_\_ yourself!"

<https://www.breitbart.com/politics/2016/06/20/exclusive-secret-service-agent-book-raging-hillary-clinton-threw-bible-at-agents-colleague/>

- Gary Byrne is another Secret Service Agent who saw her through a Bible to the back of the head of another Secret Service agent. He said it was almost considered a form of punishment to be assigned to her detail.

<https://www.christianpost.com/news/enraged-hillary-clinton-threw-bible-at-agents-head-fmr-secret-serviceman-claims.html>

- In 1975 Hillary Clinton defended Thomas Alfred Taylor, who was accused of beating and raping twelve-year-old Kathy Shelton, she spent five days in a coma, and it took several months to recover from her injuries. Although there was physical evidence to show that Shelton had been violated, Clinton got Taylor off on a technicality because the forensic lab mishandled much of the evidence that was presented. On tape Hillary stated that she never believed her client and is heard laughing about it.

- A 2018 study found that Facebook had 45 employees who previously worked for Hillary Clinton and Barack Obama's campaign, but only seven who worked on Mitt Romney's campaign. <https://www.washingtonexaminer.com/opinion/beltway-confidential/332704/obama-democrats-got-88-percent-of-2008-contributions-by-tv-network-execs-writers-reporters-updated/> and **The Enemy Within**, by: **David Horowitz**, page 192
