Specializing in Commercial Script Copywriting for Businesses.

Copy designed to get and keep your customer's attention.

- Short and to the point copy
- The Most Bang for your buck

Other written forms of copy for your business:

- White paper case studies and client or company testimonials
- E-booklets (5+ - 20+ pages) including colorful 3D book covers
- Video production, and Video sales letter scripts
- Articles, newsletters, blogs, tag lines
- Banners, Content material for websites
- PowerPoint presentations, converted into videos with music, animations, voiceover, and text
- Scripts and text for videos showcasing your company
- Webinars, sermons, and podcasts
- B2B / B2C Sales Copy

A working professional Voiceover Artist, Author, Soprano Vocalist;

- Understanding rhythmic cadence of words and the phrasing of sentences
- Published award-winning author - knowing the power words create
- Certified practicing Lay Speaker for the United Methodist Church
(A Substitute for pastors that are out sick or on vacation)
- Decades of experience speaking and singing to an audience

First Steps: Businesses that want to be seen must have a planned strategy of supplying information – one promotion at a time to the customer audience they want to reach;

- A Scripted campaign that builds from ONE idea to the next
- Keeping the momentum going for your whole product's campaign
- Time and cooperation with your design, video team, production crew, voiceover artists, and my time as your copywriter
- Details must be mapped out and a timeframe set up
- Making all deadlines with completed work

A Smile is a Universal Hello. (Original slogan/tagline)

Let's Chat and bring Your Company into the Spotlight.

Testimonials:

- **Tali Icepack Jackson**, Producer, Drummer, Promoter:

"Cynthia is a talented vocalist, voiceover artist, and copywriter of scripts for tv and radio commercials.

As a professional performer myself, I look for other talents in this world to connect with and find a way to bring these other talents along. Cynthia has my recommendation to write copy for all commercial needs. She is a pleasure to work with."

- **Noah St. John**, I teach The Power Habits® that improve productivity, reduce costs, and build a stronger company culture.

If you're ready to take your life and business to higher levels and sustain continuous growth, then you must work with my friend, Cynthia. She has the unique ability to connect on a level that instantly changes people's lives. And, the best thing is that Cynthia comes from the heart and truly cares about making a positive difference in the lives of others! Do yourself a favor and work with Cynthia today! You'll be grateful you did!

- **Angelina Hilton**, founder of Christian Marketing Company E-Zine:

"I was in search of guest bloggers who share similar values and Cynthia reached out. I really appreciated her thoroughness, her quick turnaround time, and the blog she wrote on SEO. I recommend her services for anyone seeking a high level of professionalism."

- **Betty Glaz** - Betty Glaz Copywriting Services:

"Very creative and gets the job done, usually before the deadline. I am glad to recommend Cynthia"

- **Walker Bennett** - Cydonia Publishing:

"Innovative and highly creative operation."

- **Peter Clegg**, President/CEO - JustRight International Inc.:

"Highly Recommended, 'EXCELLENT'"
