

## Did you leave your heart in San Francisco?

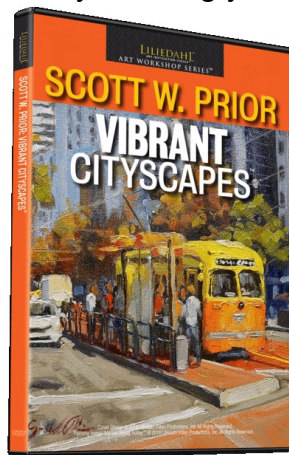

Tony Bennet left his heart in San Francisco. Eva Gabor sang about New York is where she'd rather stay. Everyone has a favorite city they have visited. And there they dream of going again, someday. Scott W. Prior will help you relive those dreams, today.

- Do you paint? Or want to?
- Do you have big dreams of capturing city life?
- Do you love the excitement and energy you feel when you visit a big city?

Scott W. Prior knows exactly how you feel. Artists for hundreds of years have painted city-scapes. The beauty and the dregs of poverty are displayed in some of the world's most famous paintings. Scott W. Prior knows the draw that cities create in the souls of those that visit. And he knows how to capture the feelings we delve into when we give our hearts to those cities. He can show you how to replicate those thoughts to a canvas that will forever capture that heartfelt feeling. He will show you step by step how to bring those city-scapes to life.

- You can find yourself in Paris,
- or floating down the Mississippi River into Memphis.
- Find your heart in the paintings you create.
- Scott W. Prior will show you how.

You can relive those moments in time, every time you look at your very own painting. You can create a memory right now by ordering your copy of **Scott W. Prior's DVD of**
