Audiobook Review

Explanation of Services--Cost \$95

Glorybound Sounds offers audio-book options to all authors [regardless of publisher] keeping with similar topics which we publish. An Audio-book Review is the first step toward getting an audio-book through Glorybound Sounds. Steps in the process:

- Author/publisher provides a digital copy of the complete manuscript.
- We return 10 pages read by a Professional Reader. [You will hear how the book will sound with that voice.]
- We provide a Marketing Profile using software which gives a potential sales for the book. [Are people buying these?]
- Audio-book Editorial Review is done by a Glorybound Publisher. We consider grammar, flow of book, projected audience,
- Cost estimate of hours and expense to complete the process.

Two Options of Recording with Glorybound Sounds

- **We provide a Professional Reader.**
- The book will be read at a rate of 10,000 words/week.
- Cost is \$200 per finished hour.
- Based on the estimate of read time, 1/2 payment up front with the residual when the book is published.
- We point out basic typos, spelling, and word use errors during the reading [so you can fix them].
- Free Audio-book Cover (\$170 value)
- Free upload to ACX

- **Read the book yourself.**
- Come into the Sound Studio or ZOOM while we record.
- The Sound Engineer will help ensure good sound quality and a professional read [at your home or our studio].
- Cost is \$95 per studio hour. Payment due at each visit.
- Free Audio-book Cover (\$170 value)
- Free upload to ACX

*If edits are indicated in the manuscript prior to reading, the author/publisher may opt to do them or turn the manuscript over to one of our Professional Editors. Spelling, punctuation, grammar and word use editing is \$2/page 8.5 x 11 notebook page double spaced.
