**Free Live Book Review Sessions** [Glorybound Publishing]

https://gloryboundpublishing.com

Customer reviews are the golden ticket. Books with many reviews win higher placement on search pages. Gaining positive book reviews is an essential element to increasing book exposure. A book needs at least 5 reviews with four stars or higher to establish consumer trust. Those with 20 or more leaning more toward five full stars are the bomb!

Name:

E-mail:

Title of book you would like to review:

Summary of the book:

URL of the book*:

*The URL can be found at the very top of the Amazon page. It is the web address of the book.

---

We will let you know when we have the next session so you can be part of it. The sessions are free.

Description of the Sessions:

- Register for the session and attend 1 hr ZOOM session. URLs are given upon registration to the event.
- Sessions will be open group led by Sheri Hauser.
- Authors will be invited to share the summary of a book with others and provide the URL of where to purchase the book.
- We do not share your information with vendors. It is solely for the purposes of the book review sessions.
- It is not necessary that you be a published author, however, by attending the session it is assumed that you will participate and willing to assist other authors helping to review their books.
- By attending the free session you will gain at least 3 valuable book reviews. They may be verified or unverified. (See section on Amazon Customer Reviews for more information.)
