### FEES & CANCELLATION POLICY

There is no OHIP coverage for psychotherapy services in Ontario. My private practice rate for individual therapy is \$140.00 per 50-minute session and I do have a few spaces available at times on a sliding scale. As of June 20, 2024, this fee is **HST exempt**, as regulated by the CRA on that date. Payment is due at each appointment unless other arrangements have been previously agreed upon. Prior to scheduling an appointment, please check with your extended health insurance to determine whether Psychotherapy or Telehealth appointments are included in your coverage. Cancellation policy: Please provide at least 24-hours notice if you need to cancel or reschedule. A fee of one-half your 50-minute session rate is charged for late cancels and missed sessions.
