

BOY SCOUTS OF AMERICA®
CHICKASAW COUNCIL

Webb Baird
Council Treasurer
Chickasaw Council Boy Scouts of America

December 20, 2023

Dear Selection Committee,

I have served as the Council Treasurer for the Chickasaw Council Boy Scouts of America for 5 years. Morio Snelling Sr. began his career with the council nearly five years ago as a Field Director. Since then, he has been promoted to the Director of Field Service position and now leads the entire field staff.

He manages the council popcorn sale, oversees the council membership budget, council commissioner budget, and the program budgets for eight districts, and has attended the monthly council financial review calls for more than two years. He is a hard worker, dedicated to his tasks and meeting deadlines. He encourages his team, and though he is a great strategic planner, he is an even better coach and mentor. Morio is an intelligent, kind, determined individual with a bright future ahead of him.

I have no doubt he will be an asset to the West Tennessee Council and the youth in the communities within your service territory.

Please contact me with any further questions.

Sincerely,

Webb Baird
