To Whom It May Concern:

We are very pleased to recommend the services of Seraphim Wood, Special Projects Coordinator at Aflac – Rockland, with offices in Blue Hill Plaza, Pearl River, New York.

Seraphim, during his presentations first to the Executive and Administrative Staff, then to all employees, explained Aflac’s supplemental plans in ways which we could relate to the most – as something that helps people in their times of need! In addition, Seraphim himself has proved himself most helpful during his presentation to, enrollment of and servicing for employees of Center for Safety & Change.

We can honestly state we recognize that Seraphim sees his work with Aflac in a certain extent as an expression of community service in general and service to his policyholders in particular.

Again, we gladly endorse Seraphim Wood as an Aflac agent who is competent, caring, and eager to help all!

Sincerely,

Elizabeth Santiago
 Executive Director
