To Whom It May Concern:

I am very pleased to recommend the services of Seraphim Wood, Special Projects Coordinator at AFLAC.

My Union employees have been offered AFLAC for a number of years now and I must admit the agent(s) we had before from AFLAC were not very helpful at all. Now that Seraphim has been here things are definitely better. He takes the time to talk to my employees, explain things and help them figure out which AFLAC policies are best for their needs. He also helps with any questions they have about processing or an already processed claim.

He has come to our location and sat in our Drivers Room to help my employees in person which is a huge help and greatly appreciated.

Seraphim is passionate about his work and that definitely comes across when you speak with him. He is a pleasure to work with and we are very lucky to have him as our AFLAC agent.

Very truly yours,
