

**March 11, 2019**

**To Whom It May Concern:**

**Seraphin Wood, Special Projects Coordinator with Afflac, has implemented and administered coverage for me with several accompanies.**

**He is responsive, communicates effectively with a wide range of employees, and has always gone out of his way to address employees' personal needs. Seraphin is a problem solver, not a salesperson.**

**Sincerely,**

A handwritten signature in black ink, appearing to read "Douglas Kamm", written in a cursive style.

**Douglas Kamm**

**General Manager**
