

Lobo Band Booster Sponsorship Levels

The Lobo Band Booster Club invites you to participate in the 2020-2021 school year as a Lobo Band Sponsor. Our booster organization is comprised of dedicated volunteers who work tirelessly to ensure that 100% of collected funds are used to benefit all members of the Lobo Band. The benefits from the band program reach well beyond musical education. Along with meals, concerts, banquets, and senior recognition, an additional focus for this school year and next will be on the band's trip to Universal Studios Florida where our children will perform on a national stage. One of our goals as an organization is to mitigate the individual cost to each family to allow more student participation. We want all 260 members of the Lobo Band to be able to attend this special event. Please consider being an active sponsor for the Big Green Marching Machine.
