EXECUTIVE SUMMARY

R J Tripp Inc. dba J L Tripp Builders is a small, minority woman owned construction company in Jacksonville, FL. As a general contractor, our company provides many construction services with a focus on concrete placing and finishing, concrete formwork, rod busting and masonry. Additional services provided are construction management, framing, drywall, painting and remodeling. With over 20 years of experience, our dedicated team has established a distinctive reputation in the construction industry by providing quality projects, and work with our customers to deliver exceptional service as it relates to coordinating and completing all phases of the construction project.
