

Company Profile

VRentals

About Us

VRentals Founded in the year 2018, as a small company dealing into renting out Wooden Flooring for events, exhibitions & weddings.

VRentals broadened its circle of work in the year 2019, by entering into the business of air conditioning of temporary and fixed structures and pandals for events, exhibitions and weddings throughout India.

Our business primarily involves around developing in house state of art materials for Air- Conditioners, Platform, Aluminum Hanger Structure, and stage. A lot of effort and money is spend on maintaining our stocks, developing teams by given them excellent training, execution system with vast vendor support involving labour teams, transporters, skilled technicians.

VRentals motive is to give genuine and best possible solution for the air-conditioning needs of the organizers in the best possible budget. As a result of our clear intentions & motive, today we stand as leading agency for providing Aluminium Hanger structure, Air- Conditioning Solutions (Chillar Plant with ducts and split units), Platforms (for every purpose), Pagodas, Stages etc. required by the organizers.
