AME

The Life of Christ

SERVANTS

We are finishing the first two months of classes in AME. As this time approaches every year, I do a dynamic with the students where they need to wash each other's feet. It was a very special time, because some had problems to solve. Also, on the basis of love and humility some ties were restored and God acted between them. At the time I presented them with a book donated by a brother in Christ named Randy Warzecha. The book talks about God's love for us and how we can fearlessly relate to Him through Jesus Christ. After class, the students stayed for a few minutes hugged in the middle of the room and got emotional and prayed over each other. I praise God for the lives of these students and pray profoundly so that every day they can be transformed into the image of Jesus as dedicated and beloved children of the Father.

VISITING THE TEAM IN SÃO PAULO

Raniere and Jéssica Menezes, and myself got the opportunity to visit the Salto de Pirapora mission camp in São Paulo, where the students Thauanny, Carol, Cristina and Priscila are on their field. We were able to spend time with them, talk to the coordinators, João and Alana, who hosted us at their house for the 4 days we were with them. We even had the opportunity to get to know a little of the congregation through the small groups!

SOON AFTER OUR VISITING THAUANNY DECIDED TO GET OUT THE PROGRAM AND RETURN TO HER HOUSE.

ENOC

ENCONTRO NACIONAL DE OBREIROS CRISTÃOS

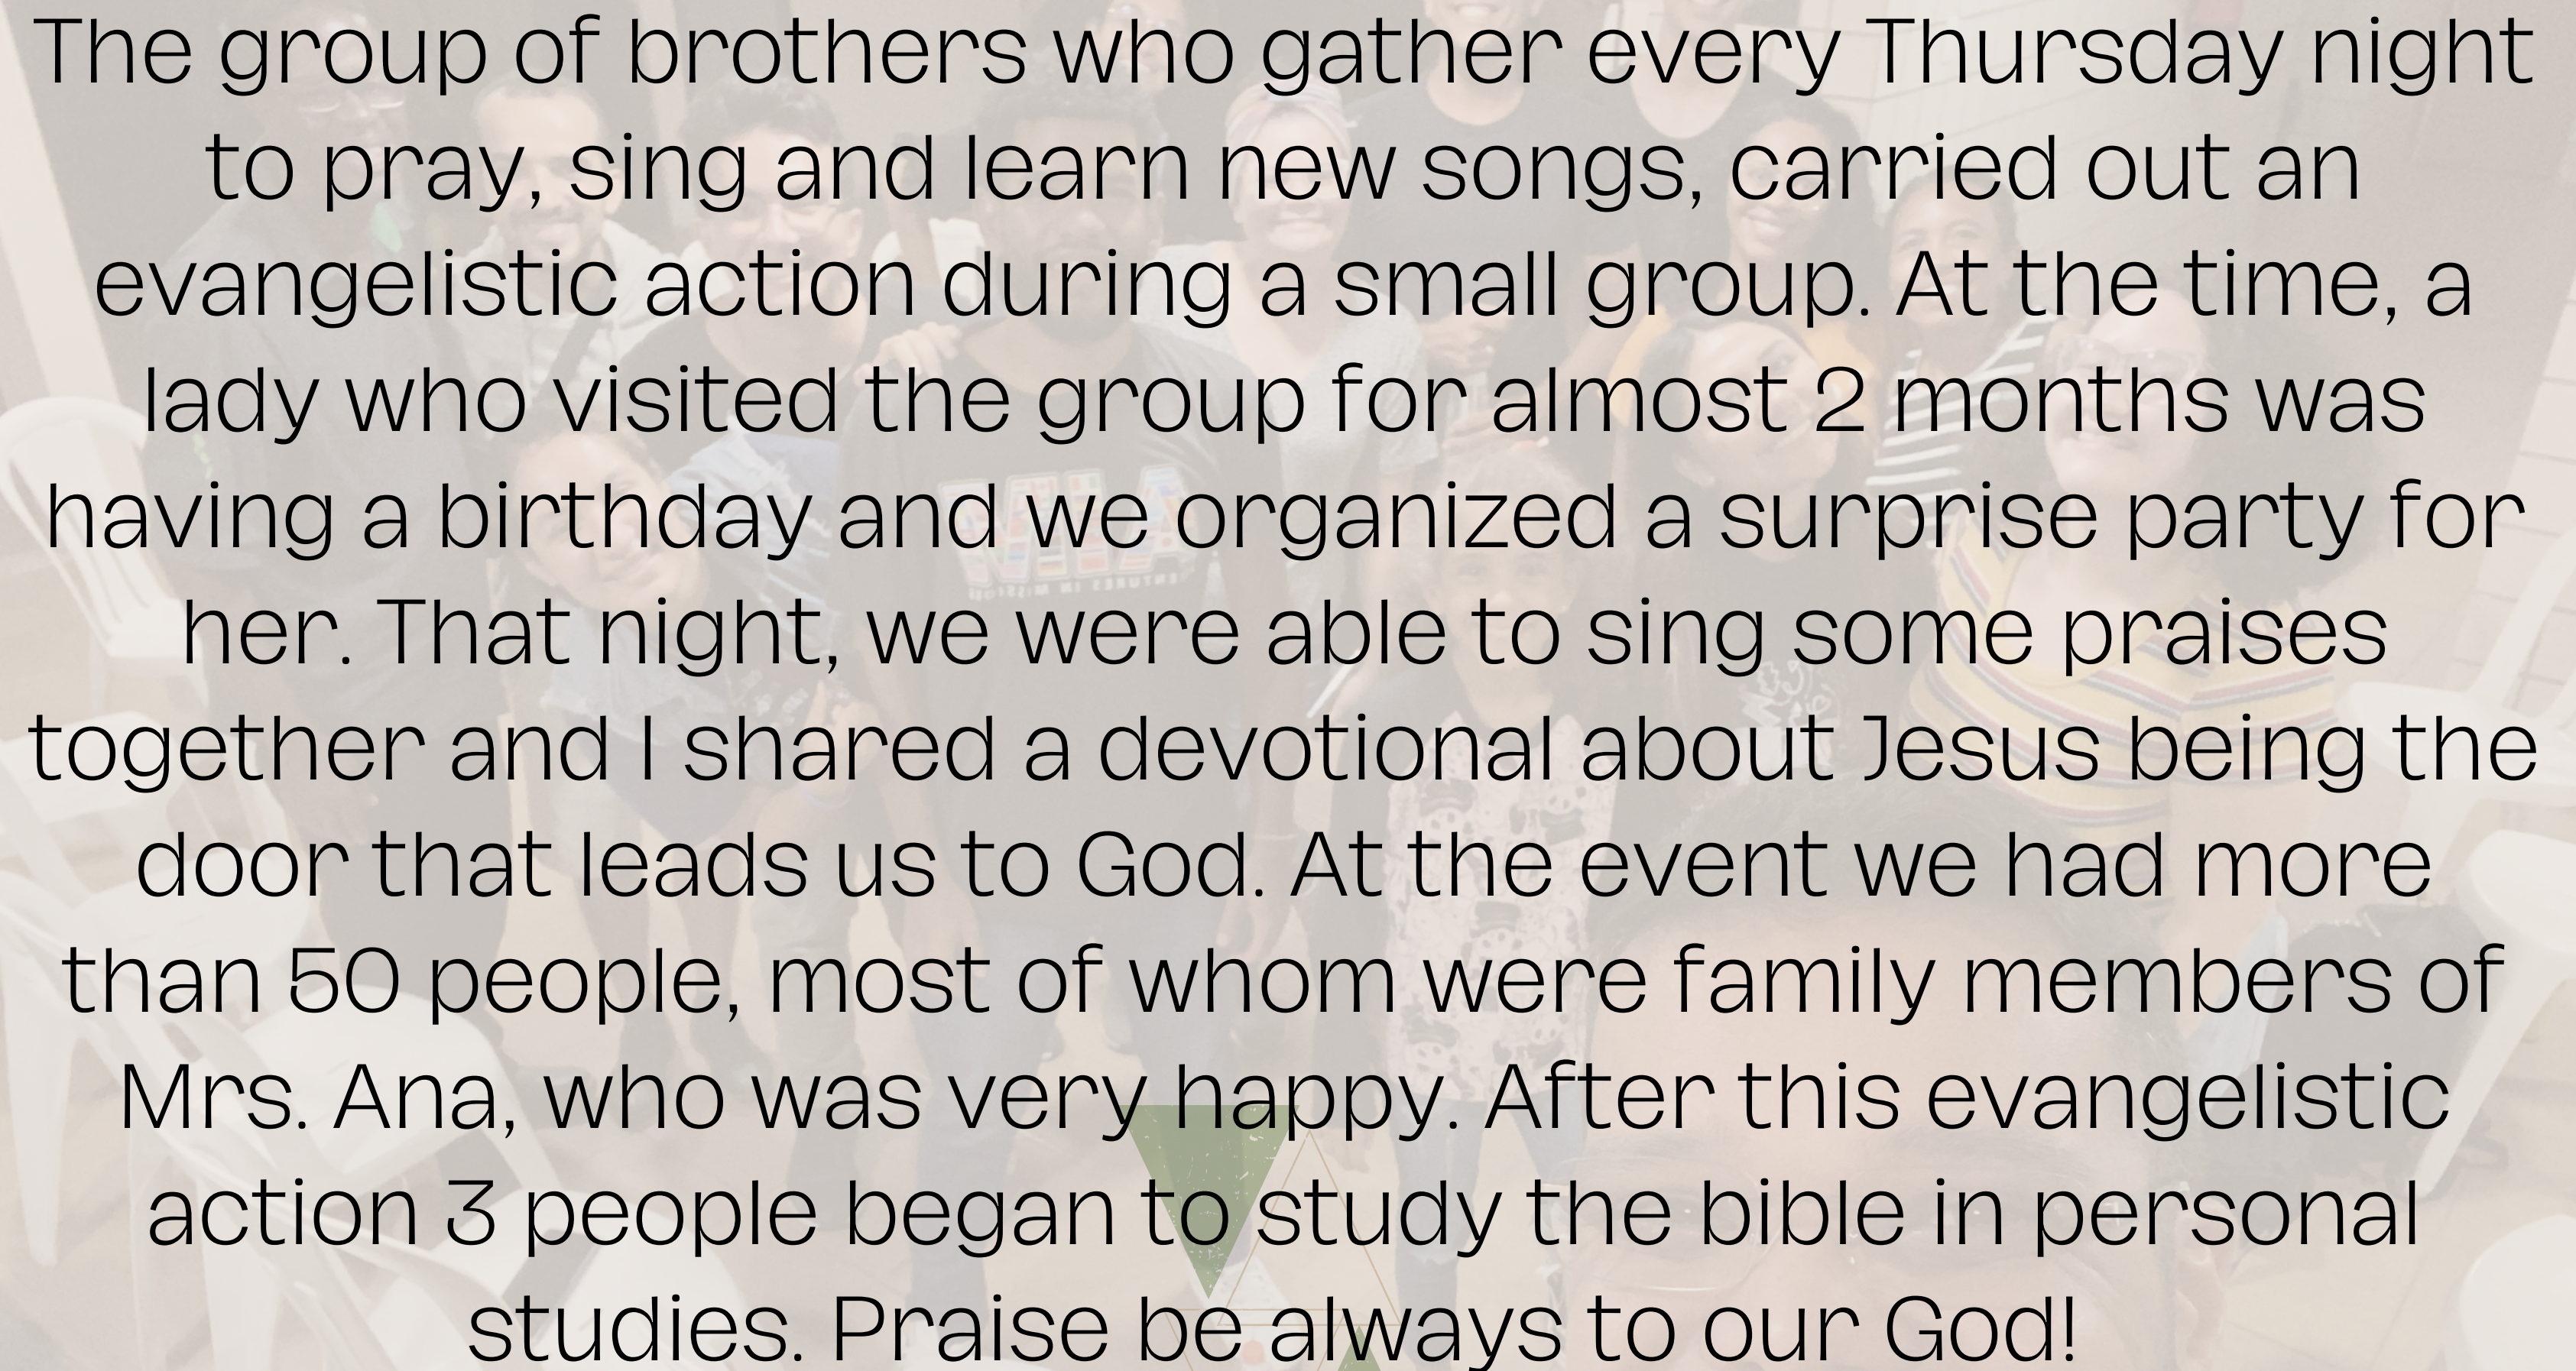

ENOC 2023

Soon after our visit to the Salto de Pirapora team, Raniere and I went to the 47th edition of the National Meeting of Christian Workers. It's an event that takes place every year for men who work as leaders of the church in congregations throughout Brazil. It was amazing to visit dear brothers that we haven't seen for a long time because of the pandemic and to meet people we didn't know yet. At the event I had the privilege of serving more than 230 men and sing praises to our God.

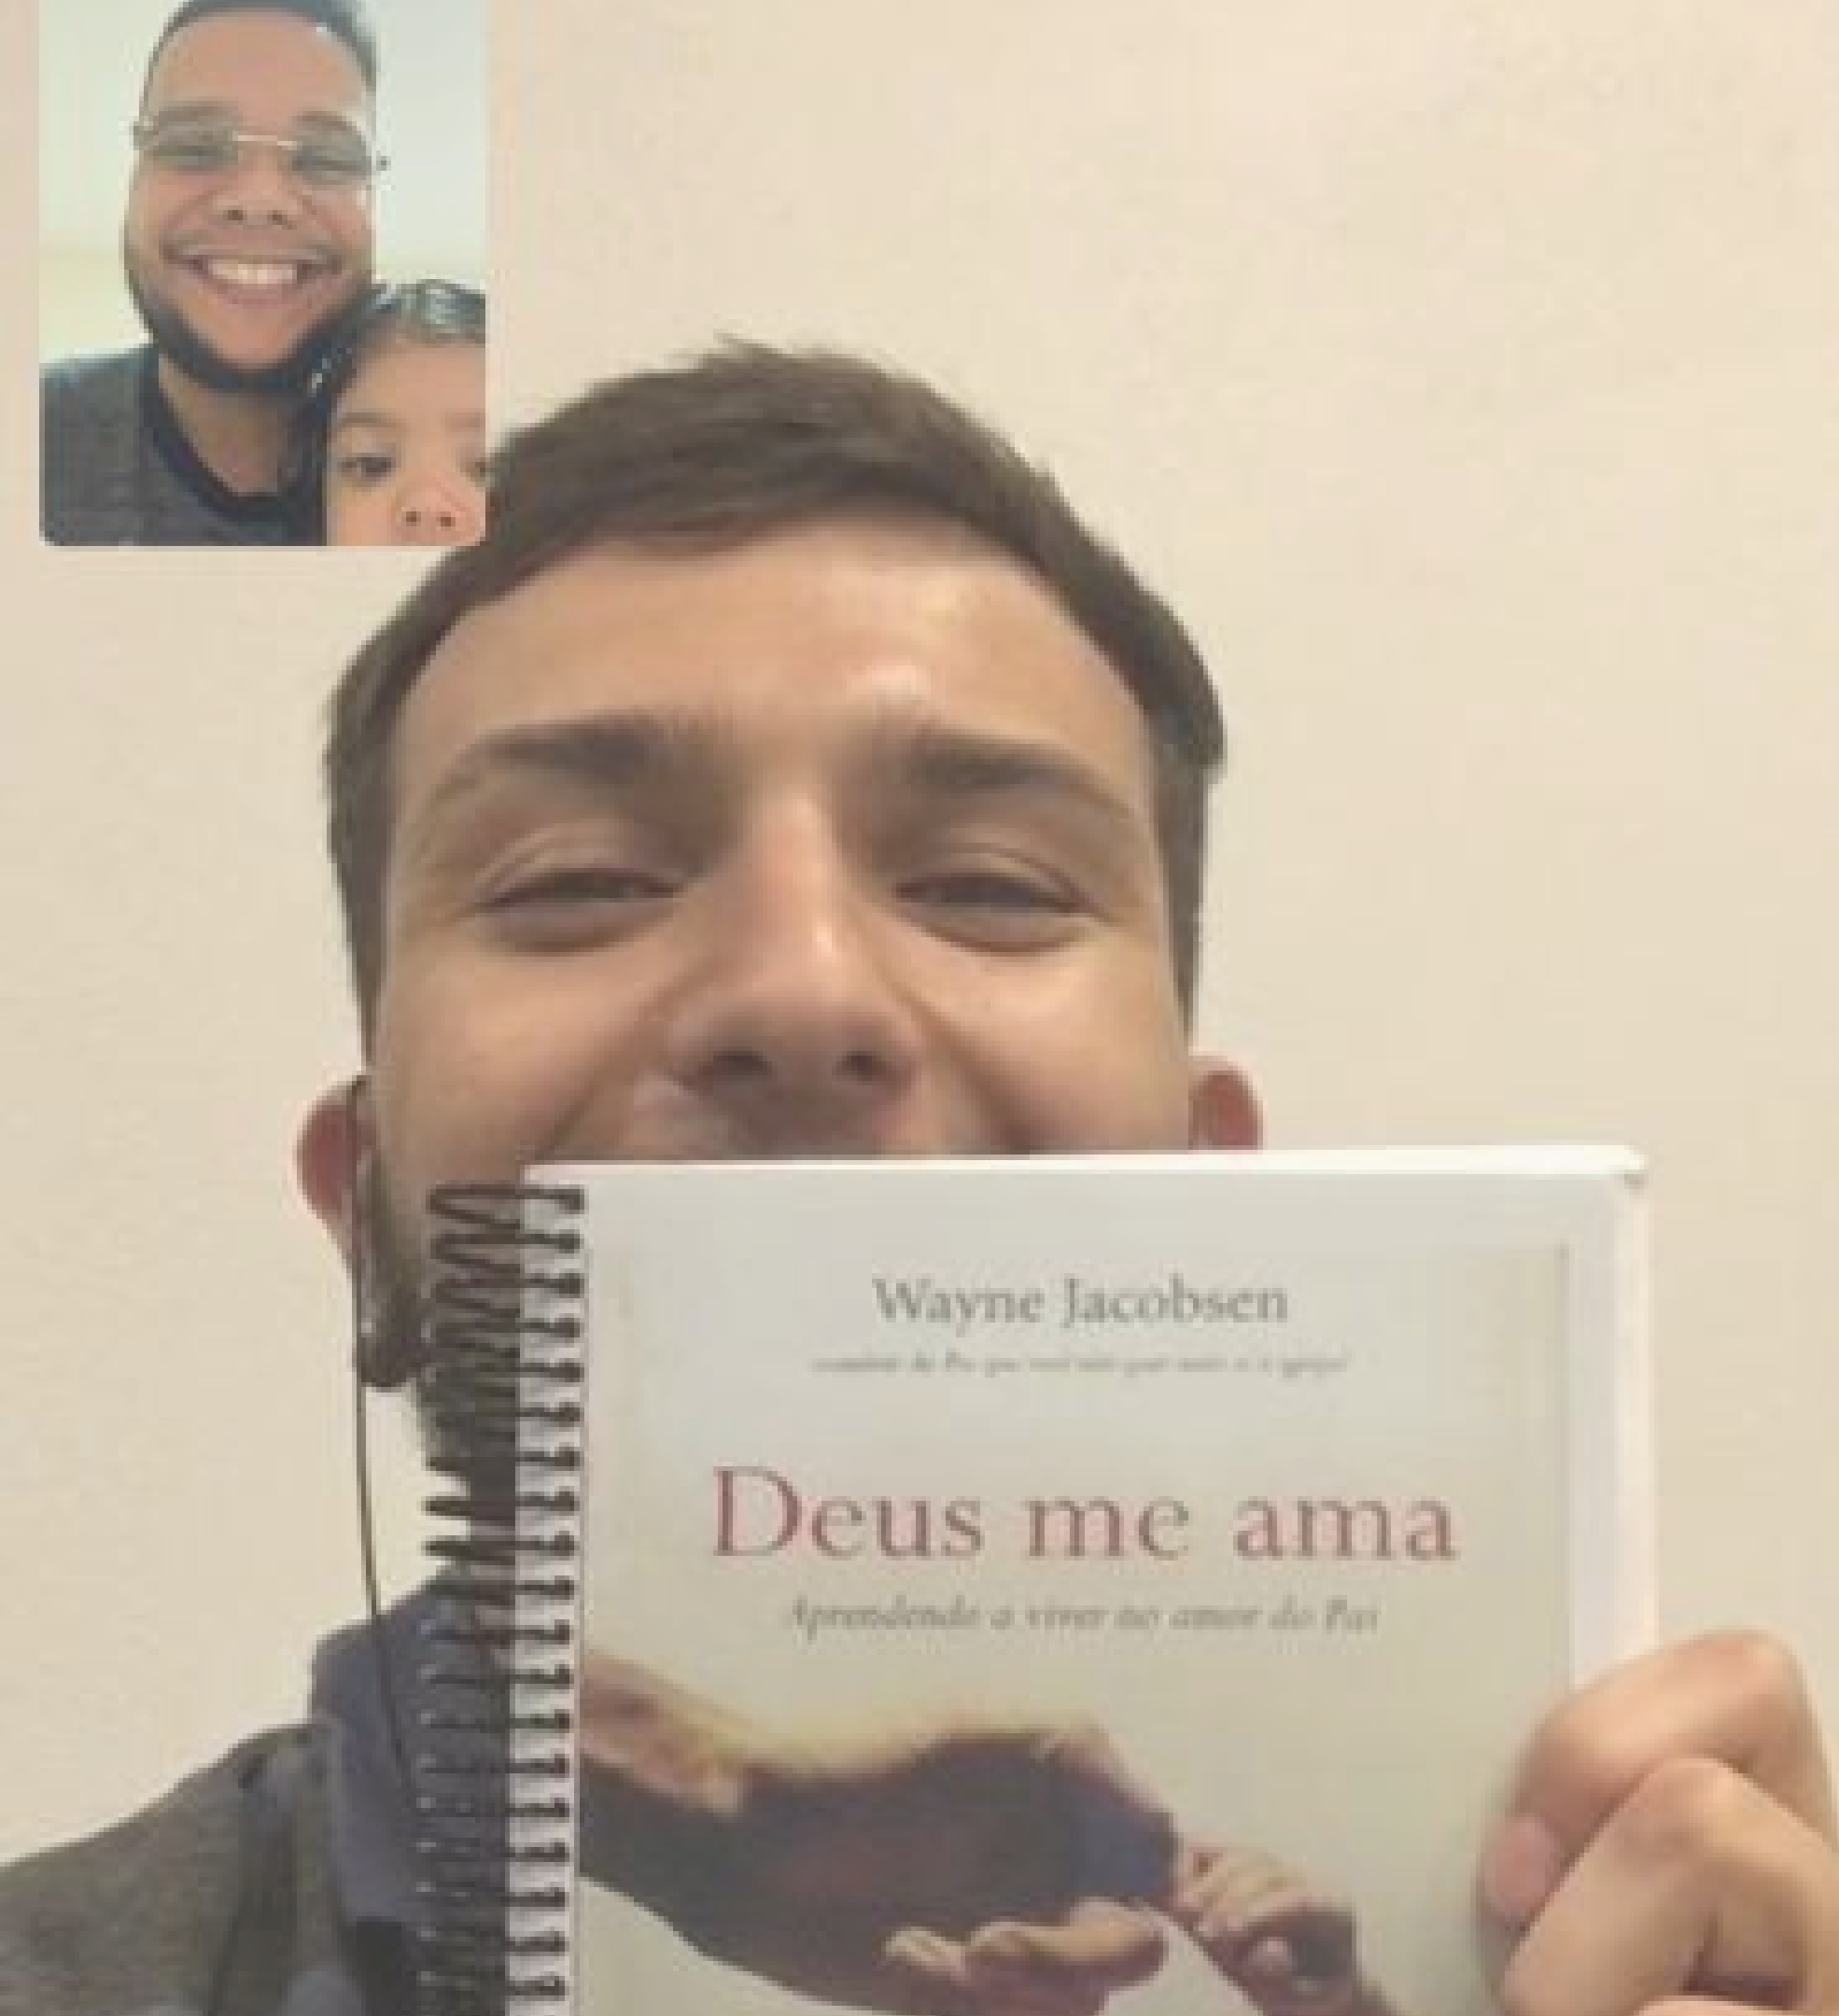

LOUVORCIONAL

EVANGELISTIC ACTION BY MUSIC AND WORSHIP

The group of brothers who gather every Thursday night to pray, sing and learn new songs, carried out an evangelistic action during a small group. At the time, a lady who visited the group for almost 2 months was having a birthday and we organized a surprise party for her. That night, we were able to sing some praises together and I shared a devotional about Jesus being the door that leads us to God. At the event we had more than 50 people, most of whom were family members of Mrs. Ana, who was very happy. After this evangelistic action 3 people began to study the bible in personal studies. Praise be always to our God!

GUIDED READING

A young man named Expedito, who was an AME student in the 2021 class and who served in the missionary camp in Niterói, Rio de Janeiro, began the guided reading of the book “Deus me Ama” or “God loves me”. Every Friday night, he and I share our thoughts and learnings from the reading carried out during the week. We take the opportunity to confess, advise, pray and build each other.

BEN TURNED 6

Our little "super hero" Benjamin turned 6 years old. We want to share with everyone our joy to have this gift from God in our lives. Also, just so you don't feel lost, he's the spider boy who is all excited in these photos!

US TRIP

Updates on my trip to the United States

We want to share with you about the plans involved in this trip for fundraising and for the mission here in João Pessoa. My flight is scheduled to leave Brazil on July 6. My first destination will be in San José - Florida at the Worship Leader Institute by Keith Lancaster and the Acapela Company group. After the event, which will end on July 14, I will go to Nashville, where I will dedicate 15 days to visit the congregations and friends there. Then the plans are to go to Alabama to visit a family of friends and talk to the mission committee of the congregation there and then leave for Texas, where I will stay for 20 days. The last part of the trip will be in Nashville from where my flight back to Brazil departs on August 25.

THANK YOU!

We are grateful to God for everything he allows us to do in his work and we are grateful for our partners. We ask for prayers for our plans and for our future!

For of him, and through him, and to him, are all things:
to whom be glory for ever. Amen.
