RV Parking Eligibility Guidelines / Terms and Conditions of Use:

I agree that I will abide by the following RV Lot Parking Lot Guidelines. I understand that if I do not abide by these Guidelines, I will be asked to cure the violation or remove my RV from the RV lot within seven days. If the parking violation is not cured within seven days, I understand that the Association will tow my RV from the RV lot.

Recreational vehicles eligible to park in the RV lot must:

- 1) Be a vehicle *used primarily for recreational purposes* (e.g., boats, motor homes, boat trailers). I understand that any vehicles used for commercial purposes (e.g., moving trucks, buses, construction equipment) or used primarily as passenger vehicles (e.g., vehicles regularly used for non-recreational transportation) does not fall within the recreational vehicle definition and may not park in the RV lot.
- 2) Be registered in the name of a Wheatherstone resident. If I move from the community or sell the RV, I understand that the RV must be immediately removed from the RV lot;
- 3) Be operational, display a valid registration and be on wheels.. I understand that the RV lot exists to provide residents with ready access to their RV vehicles and is not a storage facility for RV's that are broken down, inoperable, or cannot be legally moved on and off of the property.
- 4) Be a size that will fit in one RV space.
- 5) Stored in a manner which does not represent a safety hazard to other residents (e.g., no exposed motor blades extending in an area where children may be playing); and
- 6) Be maintained in a condition that does not represent an eyesore in the community (e.g., no dilapidated vehicles).

I have read and agree to the RV Parking Terms and Conditions summarized above. I certify that my RV vehicle is not used for commercial purposes and is not used primarily as a passenger vehicle.
