

## *The Fragrant Thymes* April / May Edition

Breath, Inhale, Exhale is life, the vital energy that authorizes the beginning of any decision and action. Breathing is ESSENTIAL...

The **Essential Synergy** is a unique multi-purpose synergy of 25 organic essential oils, brought together with 30 yrs of expertise in aromatherapy. The Essential Synergy calms, soothes and balances the skin and mind. Far from limiting themselves to their individual actions, the essential oils of this precious synergy bring together both balance and serenity and can play a role in bringing balance to all the chakras of the body.

25 well known and powerful aromatic extracts brought together to provide a delicate and balanced product, which elicits a unique scent to the individual:

SENSUAL for those who will perceive the warm notes of Ylang-ylang, Vanilla or Frankincense.

ENERGIZING for those who will be drawn to the vitality of Peppermint, Pine or Ravintsara.

DEEP for those who will be drawn to the psychic energy of Frankincense, Labdanum or Atlas Cedarwood.

Use the **Essential Synergy** on your body, your hair or through diffusion.

Body Care Oil – Add 15-30 drops in 50ml of cold pressed vegetable oil (Sweet Almond).
