At **ALGO Supply Company**, we are doing our part to achieve a healthier and clean environment. We are promoting products and services that cause less toxic pollution and waste, conserve resources and habitats, and minimize global warming and ozone depletion.

## Green is the New Standard in Business

Here are key ways clean industry can help to promote a greener environment.

**Cleaning Chemicals**- Recognize products that will be a low environmental impact or bio-based with low VOC's (odor).

**Paper Products** - Items that have lower post-consumer and recycled content.

**Equipment**- Low impact with both noise and pollution.

**Entry Way Matting**- Reduces amount of dirt entering the building.

**Recycling**- Helps divert waste from landfills.

### TRAXN-C ANTISLIP CLEANER

Falls are a risk in any type of commercial building, but are more prevalent in the restaurant, food & beverage processing facilities. In these areas, greasy soil on hard floors can make walking surfaces as slippery as ice! This anti-slip cleaner/degreaser reduces the incidence of slips and falls on quarry tile, terrazzo, flagstone, unglazed ceramic tile, brick and concrete.

Item	Size	Pack
05	Gal	4/cs

**e-clean products Floor Cleaner** is formulated to really clean high gloss floors. With a pH just above neutral it has the alkaline punch to remove soil but not dull the gloss of the finish. At "in use" dilution it closely matches the pH of the finish. E-clean products Floor Cleaner is the finest cleaner available for high traffic, high gloss, floors.

Item	Size	Pack

### 22 Karat Floor finish

The right product for beautiful, safe floors requiring minimum maintenance. This modern blend of clear acrylic polymers is easy to apply and dries to a high gloss without polishing. Resists black marks and scuffing, resists tracked in water and is not harmed by surface cleaning with detergents, but can be removed easily when desired.

Item	Size	Pack
1171	1Gal	
1160	5Gal	

### Half The Time Floor finish

As it's name indicates, Half the Time allows one to stop and prepare floors for floor finish in one half the time required with other strippers. Its actually better than less effective products on modern floors because it strips so fast and so thoroughly, thus eliminating the need for scrubbing and re-wetting to remove oxidized build-up. Floors are ruined by water getting under the tiles. Half the Time is not for rubber or linoleum floors.

## GRIT ROTARY BRUSHES

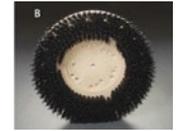

### A. MAL-GRIT XTRA™

The most aggressive grit available. This heavy gauge nylon with larger grit is used for stripping heavily soiled floors, such as concrete floors, in an industrial setting

### B. MAL-GRIT™

Our most popular grit brush. An aggressive brush for general scrubbing or stripping finishes from hard surfaces. Effectively cleans wide grout lines.

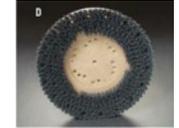

### C. CLEAN-GRIT™

An excellent general scrubbing brush for frequent maintenance cleaning. Flexible enough for cleaning narrow grout lines and uneven surfaces

### D. MAL-GRIT LITE™

Offers the durability of grit brushes with minimum aggression. For daily scrubbing of a variety of tiles, marble, terrazzo and non-slip epoxy finishes.

## A. TRU-FIT® Universal Clutch Plate (NP-9200) Patent #4,391,548

Designed to flex vertically and compress horizontally to reduce machine wobble and operator fatigue.

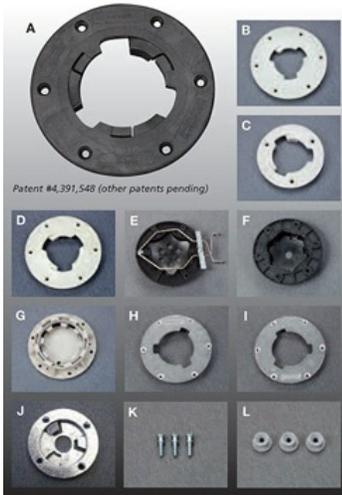

### Which Clutch Plate Is Required?

Malish can supply clutch plates for most machines on the market. If you have an original clutch plate, we will ask you for the center hole diameter of your existing brush. Measure the inside diameter from your existing brush or pad holder to obtain this information.

### Don't See Your Clutch Plate Listed?

Contact Malish customer service. The clutch plates on these pages represent the most popular "plates," but Malish also offers other, less requested clutch plates that may be appropriate for your needs
