

# Mother Nature's Boundless Beauty

View the World Through the Eyes of a Photographer

By Hal Mitcheltree

---

**Online Program: Tuesday Dec 2 at 7 p.m**

---

***Delight your eyes, refresh your spirit and nourish brain*** as Hal Mitcheltree guides you on a visual tour of Mother Nature's gifts from the ground up.

***Learn how to view the world through the eyes of a photographer*** and discover a handful of simple visual tools that will help you to see much more of the beauty that is silently, patiently hiding in plain sight all arounds us.

---

Hal Mitcheltree has presented programs photos for over 30 years which blend nature, music and photos and has served a wide range of audiences and venues throughout Northeast Ohio and and far west as the YMCA of the Rockies in Colorado. Whet your appetite by perusing his website, where you'll find thousands of stunning photos, as well as numerous videos, programs and playlists.
