## Class Make Ups Policy Change

Make up classes will be done a little different this year. Any missed classes from Aug-Dec need to be made up before the Holiday Break, and missed classes from Jan to May have to be made up by May 31<sup>st</sup>. If you are working towards the Perfect Attendance Medal, you cannot do a makeup in May for a class you missed in September. For bookkeeping this will be much easier to keep track of. Thank you.

## Class Changes

There will still be some changes to the schedule this month, both for classes that are too full and for classes that have low enrollment. It is hard for me to tell where the issues are with classes conflicting until people register, and this is a busy month. If there are less than 6 kids in a class, it will be canceled. Thank you for your patience with this process. All changes that need to be made will be done by the end of September.

Our **Rising Stars** for this month are:

Jenah MacHugh

Reagan Page

Kiera Smith

We see these kids rising to do wonderful things, their effort from the start has been tremendous! Keep an eye on these ones!!

Dancer of the Month is...BROOKE SPINOGATTI!! Brooke is 10 years old and tries her hardest in class, listens to corrections, and dances her heart out each week! She is kind to others, eager to learn and has a wonderful attitude! Way to go Brooke, your teachers are so proud of you!!! Keep it up sweet girl!!

## Tuition

Please remember that tuition is due the first class of the month and then is **late after the 8<sup>th</sup> of the month**. At that point late fees will be added **automatically** on the 9<sup>th</sup> to your account.
