Every month we pick a dancer of the Month, this is where your picture will go if you are picked!!! We will also be continuing the "Rising Stars" every month. We will pick 3 other children from all the age groups to have a star with their name on it in the hallway. These will be children that we see great potential in for the future!! Start working hard dancers from DAY 1!!!

### Class Changes

Please be aware the first month or so there can be changes in day and time of classes depending on how registration goes. We want to make sure that your child is in the right level to reach their highest potential!! If any class has less than 6 after September, it will be canceled and we will find a different class for you. If we have a class that is full, we will add another to accommodate that also. We want your child to reach their full potential at DMDA!!!

### Tuition

Please remember that tuition is due the first class of the month and then is **late by the 9<sup>th</sup> of the month**, At that point late fees will be added **automatically** to your account .
