CHECK OUT: The **check-out** process is completed in stages by color group. Colors are assigned by age. We check out ONE color at a time from YOUNGEST to oldest. **No exceptions**. Please be patient. These procedures are for the safety of your child.

- To check your child out, go to the same place where you checked in. When your child's color is called/shown as being open to check out, show the volunteer at the door the sticker with your child's name and color assignment.
- At this point the **ONE** family member wearing the checkout sticker will be allowed to go in the dressing room to pick up your child and then exit out the **back** door.
 - Note: We ask that the family member checking out be a woman as they will go directly into the dressing room. If your only option for check out is a male family member, we will have a runner that will go in and get your child for you.
