- **Tuesday August 4<sup>th</sup> is registration day!!!** Come pick up your pictures, videos, or recital shirts and we can assist you with your registration for the new season so you get your dancers in the correct class!!! Please remember Masks are required to come into the lobby. Class sizes will be limited so make sure you get registered!!
- **Do you need Zoom classes?** Please let us know if you will be requiring Zoom for your Dance classes so we can accommodate you during your scheduled time. Contact us before next week so we can make sure everything is set up. Zoom will be provided to those that request and register ahead of time.

**Home school options for dance during the day?** I am looking into seeing if there is a need/want for Homeschooled kids/parents to have dance classes during the day to fit their PE requirements? I would like to gauge who is interested in this before committing to specific days/times. If this is something that would work for you, please contact me. Thank you.

We are so happy to be getting back to class and still provide dancing instruction and continue to share the love of dance with your kids!!! We look forward to getting this new season started!! With enthusiasm, creativity, and some patience on everyone's part I know we will make this work and tackle any obstacle that comes our way!!

See you all next week!!!!
