THANKSGIVING BREAK

DEC 21-JAN2- HOLIDAY

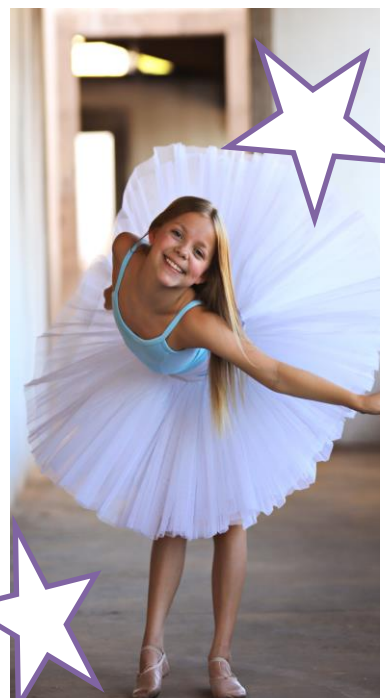

BREAK

Hope you are all doing well!! I would first like to tell all of you how much I appreciate you, especially as we traverse these uncharted waters in 2020! Your assistance sticking to the protocols for cleanliness and safety is amazing!! I am happy we can continue to offer a place for your dancers to continue to grow as dancers and that we can offer some sort of normalcy to their life right now!!!

Class Make Ups Any missed classes from Aug-Dec need to be made up before the Holiday Break, and missed classes from Jan to May have to be made up by May 31<sup>st</sup>. Please let us know if you have any questions about this.

### Class Changes

There will still be some changes to the schedule this month, both for classes that are too full and for classes that have low enrollment. It is hard for me to tell where the issues are with classes conflicting until people register. If there are less than 5 kids in a class after this month, it will be canceled. Thank you for your patience with this process. All changes that need to be made will be done by the end of September.

**DANCER OF THE MONTH IS.....**  
**LILY HILL!!!!**

Lily's work ethic is outstanding! She has improved so much since last season!!! Lily is a new member of our company team and we couldn't be more proud of her. She is very professional during rehearsals showing up early to stretch and always prepared for rehearsals. Lily is very kind to everyone and always has a smile on her face!! She stays focused during class and always practices at home when moves are tough. Lily is a joy to work with every week! She is a beautiful dancer and we couldn't be more proud of her!! Keep up the hard work Lily!!

### Tuition

Please remember that tuition is due the first class of the month and then is **late after the 8<sup>th</sup> of the month**. At that point late fees will be added **automatically on the 9<sup>th</sup> to your account**.

Thank you.
